INVESTIGATION:

R/D's were assigned this investigation by Sgt. WILLIAMS #847 of this command on 29 Jan 2019 at approximately 0445 hours. R/D's were informed that there was an Aggravated battery which occurred at the location of 341 E. Lower North Water street and the victim is an actor [REDACTED] on the "Empire" television show. R/D's were informed that the victim was at Northwestern Hospital and there was a possible crime scene at 341 E. Lower North Water street. The contents of this report, including interviews, are in essence and not verbatim unless otherwise noted by quotation marks.

R/D's immediately relocated to the scene 341 E. Lower North Water St. to begin the investigation. Upon arrival, at approximately 0515 hours, R/D's made the following observations. R/D's noted that there was no crime scene being protected and R/D's verified this VIA OEMC and beat 1832R stated that there was no evidence outside, at the location of the incident.

The address of 341. E. Lower North Water Street (400 north) is situated on the south side of Lower North Water Street which is a two Way Street with vehicular traffic flowing east and west bound. There is vehicular parking on the south side of Lower North Water Street. Lower North Water Street intersects with New Street (341 east). A staircase, allowing foot traffic access to upper and lower North Water Street was located on the southwest corner of the intersection. New street is a two Way Street with vehicular traffic flowing both north and south bound. New St. only extends for one (1) block and ends at Illinois street (500 north) at the north end. R/D's noted that New Street becomes a one way northbound only after the intersection of Lower North Water street and the Chicago river lies to the south of New Street. There is only vehicular parking on the west side of New Street.

Numerous garage and service doors line northbound New St. towards Illinois St. There are Multi-unit residential buildings located eastbound on Lower North Water Street. The lobby and entrance to [REDACTED] residence in on the north side of Upper North Water Street [REDACTED]. The Sheraton Hotel (301 E. North Water St.) is on the south side of the upper level of North Water Street and west of the aforementioned staircase.

R/D's arrived at Northwestern Hospital at 0545 hours to interview [REDACTED]

AT 0555 hours R/D's interviewed [REDACTED] in room #68 of the Emergency Room Mezzanine Level with [REDACTED] present. [REDACTED] agreed to be interviewed and related in essence not verbatim, that he flew into O'Hare Airport from New York's LaGuardia Airport at approximately midnight and was driven home to his apartment by [REDACTED] arriving at approximately 0130 hours. [REDACTED] was hungry so he left his apartment alone and exited the building through the lobby on upper North Water St. [REDACTED] used the staircase near the Sheraton Hotel (301 E. North Water St.) to make his way to Lower North Water street and New St. [REDACTED] began walking towards Walgreens located at 342 E. Illinois St. to grab some eggs, by walking north on New St., however Walgreens was closed. [REDACTED] proceeded to Subway Restaurant at 511 N. McClurg Ct. and purchased a tuna sub for [REDACTED] and a salad for himself. [REDACTED] left the Subway Restaurant with the purchased food in a bag and walked southbound on the west side of McClurg CT to walk home. While walking on McClurg CT [REDACTED] called his music agent, [REDACTED] and placed his cell phone in his pocket. [REDACTED] used a wired headphone earbud to speak with [REDACTED] while he walked home. [REDACTED] approached his building on Lower North Water St and walked towards the dock area to enter into the building via a garage access door. Before he reached the access door near the dock area [REDACTED] realized he forgot his key fob and then turned to walk towards the staircase to enter through the lobby entrance instead. While in the middle of the intersection of New St and Lower North Water St and walking southbound [REDACTED] heard one of the offenders state "Empire Faggot Empire Nigger." [REDACTED] replied "what the fuck you say to me?". One of the offenders stated "this is MAGA country Nigger". Immediately thereafter, [REDACTED] was punched to the left of his face. [REDACTED] began to fight back and all three individuals fell to the ground and were "tussling." [REDACTED] felt kicking to his back and a pulling on his neck. The physical altercation then stopped and the offenders fled on foot southbound on New St towards the river and towards the pub named Lizzies. [REDACTED] retrieved his phone from the ground and realized that [REDACTED] was still connected. [REDACTED] encouraged [REDACTED] not to chase after his attackers and go into his apartment for safety. As [REDACTED] was on the staircase, to retreat up towards his apartment building lobby, he noticed a rope, fashioned like a noose, around his neck. When [REDACTED] entered into the building lobby he told the door guy in passing "I just got jumped" then returned to his apartment. As he entered his apartment he felt something wet on his sweatshirt and smelled bleach. [REDACTED] did not initially want to notify the Police, but [REDACTED] encouraged him to report the incident. [REDACTED] subsequently called 911. [REDACTED] stated he was not robbed and was in possession of his property which consisted of his phone, credit card, ATM card, and ID. [REDACTED] gave the following description of offender #1 Male, white, unknown age, 5'10"-6'00" weighing between 180-200 pounds, black ski mask with open eye area, dark colored jacket/top, and dark pants. [REDACTED] related he was able to see the color of the skin through the open area of the mask. [REDACTED] was unable to provide a description of offender #2. [REDACTED] injuries consisted of scratches on both cheeks, redness to the neck and soreness to the back area. [REDACTED] was expected to be treated and released. During the interview [REDACTED] revealed he was sent a threatening letter approximately a week prior that the FBI was currently investigating. He also revealed that he received a phone call on Saturday in which a male voice said "Hey you little faggot" when he

answered the phone and then promptly hung up. Lastly, [REDACTED] revealed that he was a guest on AL Sharpton Live Sunday at 4pm in which they were speaking about Trump and HBCU's (Historically Black Colleges and Universities). [REDACTED] had nothing further to relate to R/D's at this time and the interview concluded at 0645 hours.

At 0650 hours R/D's interviewed [REDACTED] alone in room #68 of the Emergency Room Mezzanine Level, while [REDACTED] was receiving medical treatment in a different area of the hospital. [REDACTED] agreed to be interviewed and related, in essence not verbatim, that he is [REDACTED] Creative Director and is staying at [REDACTED] apartment as a guest. [REDACTED] left [REDACTED] apartment in [REDACTED] vehicle around 7pm to pick up [REDACTED] from O'Hare Airport. [REDACTED] waited over 4 hours for [REDACTED] to arrive at O'Hare due to many flight delays. They drove back to [REDACTED] apartment together arriving at approximately 1:30 am. [REDACTED] was frustrated regarding the flight delay, so he stayed in the apartment when [REDACTED] left to get food. [REDACTED] received 2 missed calls from [REDACTED] at 2:07 am and 2:08 am. Det. GRAVES verified said missed calls by viewing [REDACTED] phone. [REDACTED] had nothing further to relate to R/D's at this time and the interview was concluded at 0700 hours.

Evidence Technicians beat 5833 arrived at Northwestern Hospital at approximately 0630 hours to document the injuries of [REDACTED]. Beat 5833 photographed the visible injuries of [REDACTED]. R/D's were informed that beat 5833 went to the crime scene and photographed the area. R/D's informed beat 5833 that the reporting Officers beat 1823R had recovered the rope and the clothing that had been stained with apparent bleach. Beat 5833 relocated to 018 district to photograph and inventory the clothing and rope.

At 0615 hours Det. GUTIERREZ interviewed [REDACTED] the night doorman, working at the time [REDACTED] returned to the building after being attacked. [REDACTED] agreed to be interviewed and related, in essence not verbatim that he observed a male enter the lobby and state "I was jumped." The male then went upstairs. [REDACTED] also observed a cut/ scratch on the male's face and what appeared to be snow on his hood. [REDACTED] related that he was aware that [REDACTED] resided in the building and believed the male to be [REDACTED]. [REDACTED] had nothing further to relate to Det. GUTIERREZ at this time and the interview concluded at 0620 hours.

R/D's relocated back to the area of the crime scene in an attempt to recover video. R/D's observed a POD camera on the north east corner of New St. and Lower North Water St.

R/D's observed a POD camera at the end of New St. by the river.

R/D's observed surveillance cameras on Walgreens located at 342 E. Illinois St. (later recovered by Det. FYKES #20925 from [REDACTED]). The interior camera pointing towards the front doors does not appear to show the victim.

R/D's observed private surveillance cameras on the building at the corner of Illinois St and McClurg Ct. R/D's contacted the security for River East Center located at 322 E. Illinois. R/D's recovered said video from [REDACTED].

R/D's relocated to Subway at 511 N. McClurg Ct and was informed that the Video would be emailed to Det. MURRAY by the owner [REDACTED]. The video confirmed that the victim was inside the Subway ordering food.

R/D's observed surveillance cameras at Target located at 401 E. Illinois. R/D's recovered video from [REDACTED]. The video appears to show victim [REDACTED] walking on the west side of McClurg Ct carrying a bag.

R/D's observed cameras at City View Condos and [REDACTED] allowed R/D's to view the cameras. The cameras are situated in the rear of the property and are motion activated. The video does not appear to show victim [REDACTED] walking on McClurg Ct.

R/D's spoke with [REDACTED] of [REDACTED] (residence) who related that he would be able to provide the transponder times that the vehicle of the victim was leaving and entering into the garage. He would be able to provide this information on 30 Jan 2019 along with the building video.

Det. GUTIERREZ recovered video from the loading dock under the residence (Lower North Water St) of [REDACTED]. The video shows [REDACTED] walking towards the garage door then turns around to walk towards the stairs leading up to the lobby of his residence.

R/D's reviewed POD 6870 located at 401 N. New. The POD view is north on New street from Lower North Water St. The camera shows two subjects in dark clothes on the west side of New Street seated on the bench which is in the middle of New St. shortly before the incident. The subjects are then observed walking south, on the west side of New St., just moments before the incident. The subjects leave sight of the camera.

R/D's viewed POD #9079 located at 343 E. River drive. The camera is facing west looking towards the River walk. The camera shows the two individuals running southbound along the wall towards the river then running west down the river walk towards Columbus St. These subjects are observed running just moments after the incident occurred.

R/D's viewed the lobby video which shows the victim [REDACTED] walking into the lobby, passing by the doorman and briefly saying something [REDACTED] is observed with an object hanging around his neck and some white substance on his hood.

The body cameras of Officers BAIG #14926 and ALVAREZ #19689 was viewed and preserved. The cameras show the Officers being met by [REDACTED]. The Officers being brought up to the apartment and upon entering the apartment victim [REDACTED] is observed to have rope wrapped around his neck. Upon being informed that the interview is being recorded victim [REDACTED] requested the cameras be turned off.

Det. CORFIELD interviewed [REDACTED] (DOB [REDACTED] 1971, F/U/47, [REDACTED] via telephone at approximately 1820 hours. [REDACTED] lives at [REDACTED] the same building [REDACTED] lives in. [REDACTED] related the following in summary and not verbatim:

[REDACTED] was watching a movie with her friend in her residence. At around 0030 hours, she went outside to walk her dogs. As she walked her dogs, she observed a person which she described as a male, white, mid 30s, wearing glasses, having reddish-brown hair and slight facial hair, average height and build, wearing a blue and yellow stocking hat with a ball on top, a navy blue sweatshirt, blue jeans, gray and red socks, and brown laced shoes, which appeared wet to her. This man was smoking a cigarette and standing on New St. near Lower North Water St. (underneath the building as she described) near the loading dock between the resident entrance and resident garage door

██████████ further related that the man looked at her, and upon doing so, turned away. ██████████ described the man as appearing to be waiting for something. As the man turned away, ██████████ could see hanging out from underneath his jacket what appeared to be a rope. ██████████ went back into her building and did not see the man afterwards. ██████████ had nothing further to add at this time.

At 1814 hours Det. GRAVES interviewed ██████████ via telephone. ██████████ agreed to be interviewed and related in essence and not verbatim, that he was on the phone with ██████████ during the attack. ██████████ related that at this time he was in Las Vegas and he was on the phone with ██████████ at approximately 1200 Pacific Time (0200 central time). ██████████ heard someone say something in the background, then heard someone ask if he was the "Empire faggot nigger". ██████████ stated he did hear someone say "this is MAGA country". He stated the phone dropped and heard what he believed to be a struggle. ██████████ then picked up the phone and said "I was jumped." ██████████ told him not to go after the guys and call the Police. ██████████ then hung up. ██████████ stated that he called ██████████ 2 times, but ██████████ did not pick up. ██████████ related that the times were at 0207 and 0208 hours (central time). ██████████ related that he is ██████████ musical Agent and stated that he believed SMOLLETT is in good standing with the show "Empire". ██████████ believed ██████████ signed a contract for another year maybe two. ██████████ did confirm that ██████████ is ██████████ Creative Director. ██████████ related that he did not have anything further to add at this time and the interview was concluded at approximately 1825 hours.

██████████ was contacted and agreed to do a "walkthrough" of the incident to accurately document the incident. R/D's arrived at the residence of victim ██████████ at 1915 hours. ██████████ was placed in the back seat of an unmarked Police car. ██████████ requested his two friends accompany him, which R/D's agreed.

██████████ provided his flight information American Airlines flight number 336 from New York LaGuardia to Chicago O'Hare on 28 Jan 2019.

██████████ then details the route he took as R/D's drove the area. ██████████ stated that he left the apartment from Upper North Water St., walks down the stairs and walks down New street smoking a cigarette towards Walgreens (342 E. Illinois). He realizes Walgreens is closed then continues towards Subway (511 N. McClurg). ██████████ calls ██████████ at 0145 and asked if he wants anything from Subway he said a Tuna sandwich. ██████████ stated that he orders food and takes the food to go. He leaves Subway, crosses the street and walks northbound on the west side of Mc Clurg Ct. ██████████ stated that he called ██████████ and was talking with him while wearing the earbuds. He walks past the Target (401 E. Illinois) which is on the other side of the street. He then turns right on Lower North Water St. and walks on the north side of the street. He crossed New St. and was going to enter the residence through the lower level parking garage. He realized that he did not have his key fob because ██████████ drove. He turns around and crosses south towards the stairwell. ██████████ stated while in the street he hears the beginning of the altercation from behind him. Offenders approach southbound from New St, behind him. ██████████ stated that the struggle occurred at the base of the stairwell where the snow was located. He stated that his phone fell to the ground and it was still connected with his manager, from 0201-0206 hours. ██████████ stated that no property was taken he reiterated what was said prior to the altercation, "Empire Faggot Empire Nigger" and "this is MAGA country Nigger". ██████████ stated they ran south towards the river, but doesn't know which way from there. ██████████ then grabbed his phone, saw his food lying on the ground and he picked it up. ██████████ stated "Look there is my water bottle that I bought from Subway it's still on the ground at the base of the stairs". ██████████ was asked about the sweater not getting dirty to which he explained they were on the ice and snow. ██████████ was asked if he would sign to release medical records, which he declined. ██████████ was asked to submit to a buccal swab for

elimination for touching the rope which he stated he would ask [REDACTED] (to submit buccal also) and think about it. [REDACTED] was asked to turn over his phone to, which he declined. [REDACTED] stated that he did not have a broken rib as reported in the news, but he was sore in the rib area. R/D's concluded the walk through at 2000 hours and returned [REDACTED] to the front of his residence.

This investigation is ongoing. There is more video being gathered and reviewed. More reports will be generated detailing that progress.

This case remains in PROGRESS.

INVESTIGATION:

R/D was assigned to assist in this investigation by Commander Edward Wodnicki #356 who instructed R/D to speak with Sgt. RONEY #2244 of his command on 31 January 2019 at approximately 1230 hours concerning this investigation. Sgt. Roney played a video from 29-Jan-2019 at approximately 0208 hours (system time) which showed two unknown subjects walking westbound on the north side of East South Water Street, then turning northbound onto Stetson Ave. at which point the two unknown subjects go out of camera view. R/D, Det. Theis #21217, Det. Calle #20177 and Det. Haro #20159 were instructed to go to the area of East South Water Street and Stetson Ave. and assist in locating and recovering video in the area.

Det. Calle and Det. Haro went to the Hyatt Regency Hotel, located at 151 E. Wacker, while R/D and Det. Theis went to the 2 Illinois Center office building located at 233 N. Michigan and spoke with [REDACTED] Security Specialist for Whelan Security [REDACTED] R/D asked to review recorded video feeds from building cameras which face Stetson Ave on 29-Jan-2019 at approximately 0208 hours. R/D and Det. Theis were brought to a security office within the building and shown footage from 29-Jan-2019 at approximately 0209 hours (system time) where two unknown subjects are observed walking westbound on the north side of East South Water Street, then turning northbound onto Stetson Ave. and continue to walk northbound out of camera view. Det. Theis, after being shown the operation of the security system by [REDACTED] extracted the desired video footage and saved it to a USB Drive. This video footage was then transferred to a DVD disc and inventoried under CPD INV #14373799.

R/D was then contacted, via telephone, by Det. Calle who stated he was at the Hyatt Hotel located at 151 E. Wacker Dr. in Chicago. Det. Calle stated video footage was available from several camera angles facing Stetson Ave. of the two unknown subjects. Det. Calle stated that the footage

showed the same 2 unknown subjects on foot, on East South Water Street, then turning northbound onto Stetson Ave., walking northbound on Stetson Ave., ultimately entering into Yellow Cab #1394 which was parked on Stetson Ave. on the east side of the street, in the cab stand just north of the Hyatt Regency Hotel East Tower. The cab then departed at approximately 0210 hours (system time) northbound on Stetson Ave. Det. Calle spoke with [REDACTED] from Hyatt Hotel Security, who stated copies of the video footage should be ready by 01 Feb 2019. Three video still images were obtained by Det. Calle and inventoried under CPD INV #14373799.

R/D then contacted [REDACTED] of the Yellow Cab Company [REDACTED] via telephone, who stated [REDACTED] was the lease holder for Yellow Cab #1394. [REDACTED] was also able to provide information for the cab rides of Yellow Cab #1394. That on 29-Jan-2019 at approximately 0210 hours, Yellow Cab #1394, had a fare leaving from the area of the Hyatt Hotel. [REDACTED] stated that the ride was a cash fare and did originate in the area of the Hyatt Hotel at approximately 0211 hours and terminated in the 3600 block of North Marshfield on 29-Jan-2019 at approximately 0226 hours.

R/D called and spoke with [REDACTED] who stated [REDACTED] was the manager of the cab in question. R/D then called and spoke with [REDACTED] and asked if video was available from the listed cab. [REDACTED] stated the cab did have a camera and would be available for download at 1700 hours at the location of 1123 W. Catalpa in Chicago.

At approximately 1500 hours, on 31 January 2019, R/D, Det. Theis #21217, Det. Calle #20177 and Det. Haro #20159 relocated to the 3600 block of North Marshfield in an attempt to locate and recover video. Det. Theis and Det. Calle then went to the location of 36 [REDACTED] N. Marshfield and spoke with [REDACTED]. Det. Theis and Det. Calle were able to observe video of Yellow Cab #1394 stopping at the same approximate location and the same two unknown individuals exit Yellow Cab #1394. These two subjects begin to walk northbound on the west side of Marshfield. [REDACTED] stated she would have to get the video downloaded and the video would be available for pick up on 01-Feb-2019. While still on the 3600 block of North Marshfield, R/D and Det. Haro went to 34 [REDACTED] North Marshfield and met with [REDACTED] who stated her cameras did not store data. R/D and Det. Haro then went to 34 [REDACTED] North Marshfield and met with [REDACTED] who stated his cameras did not store data. R/D and Det. Haro also went to 16 [REDACTED] West Waveland and met with [REDACTED]. R/D was able to review video with [REDACTED] for activity captured on the video system at and around 0226 hours on 29-Jan-2019. This search met with negative results as no activity was shown. R/D also went to the locations on 3626 North Marshfield and approximately 3633 North Marshfield where cameras were observed. Attempt to make contact at these locations was negative.

At approximately 1700 hours on 31 January 2019, R/D, Det. Theis #21217, Det. Calle #20177 and Det. Haro #20159 went to the location of 1123 W. Catalpa in Chicago and found it to be Northside Auto Repair. Det. Zambrano #21178 and Det. McKendry #20432 were on scene and related that Yellow Cab #1394 was at the location and parked inside the repair shop. Det. McKendry stated he spoke with [REDACTED] and that [REDACTED] had given his consent to retrieve and view the contents of the SD card from Yellow Cab #1394. [REDACTED] stated that at the time of the incident, [REDACTED] should have been the driver of the vehicle on the date and time in question. R/D was provided with a photocopy of an Illinois State Drivers License and Transit Administrative Card for [REDACTED]. This was inventoried under CPD INV #14373799. Det. Theis then removed the video SD card from the cab camera, which was located on the inside front

windshield of the cab, next to the rear view mirror.

[REDACTED] stated that there is a day time driver for the vehicle as well. Follow up investigation on this information will be forth coming.

While in Area Central, R/D spoke via telephone with [REDACTED] who is the Special Assistant and Inspection Facility Manager for City of Chicago, Business Affairs and Consumer Protection (BACP) [REDACTED] stated that he had software available on a laptop which could decode and play the cab video located on the video SD card which Det. Theis had in his possession. At approximately 2200 hours on 31-Jan-2019, [REDACTED] arrived in Area Central. Det. Theis gave the video SD card to [REDACTED] who inserted the card into his laptop. [REDACTED] used his laptop to open and play the video SD card. A search was conducted for a cab ride beginning at approximately 0211 hours to approximately 0226 hours on 29-Jan-2019. After an inspection of all of the video files on the card, it was found that the memory on the card had been exhausted and data began to overwrite. A file for the time in question could not be found. Going to the earliest file which could be located on the video SD card (29-Jan-2019 approximately 0400 hours), a photographs of the driver of Yellow Cab #1394, were captured and generated. Det. Theis took possession of the video SD card which was taken to the Reginal Computer Forensic Laboratory (RCFL) By Det. Theis for forensic analysis on 01-Feb-2019.

PROGRESS SUP NARRATIVE

R/D and Det. Stoll#20701 were asked to assist in the [REDACTED] investigation on 6 Feb 2019 at 1200 hours by Area Central Detective Division Commander Ed Wodnicki.

R/Ds attended a debriefing session and were made aware of potential leads in the investigation and were asked to locate and interview a Uber Driver [REDACTED]

R/D and Det. Stoll met with UBER Driver [REDACTED] at [REDACTED] in Chicago IL on 6 Feb 2019 at 1640 hours. [REDACTED] is a Male Black 56 yoa. [REDACTED] is 601 / 230 LBS. [REDACTED]

lives with his wife at the location and stated he has driven a Taxi for several years in Chicago but now only drives for UBER. [REDACTED] stated he mostly drives at night and the early morning hours.

R/D refreshed [REDACTED] memory of the 29th of Jan 2019 and stated he was working and pulled up his rides on his cell phone for that day. [REDACTED] stated he vividly remembers getting a ride where he picked up two African American Males at the location of 41 [REDACTED] N Ashland. [REDACTED] pulled up the Ride ID Number [REDACTED]. The rider was ordered at 12:56 on the 29th of Jan and he arrived at 1:02 hours. [REDACTED] stated rider #1 (Male Black 30-32 Taller Dark Clothing) came to his vehicle at 1:02 and greeted the driver with "HEY BROTHER " as he entered on the curb side of the vehicle and then sat in the rear passenger seat. Rider #1 asked the driver to wait a minute that another passenger was coming. A minute later Rider #2 entered in the rear driver side door (Male Black 507/508 Larger build and 29/30 Dark Clothing). [REDACTED] thought that Rider #1 had placed the UBER order. [REDACTED] stated both riders had hoods under their jackets but neither had their hoods up. [REDACTED] thought one of the riders may have had a knit hat or maybe a baseball hat. [REDACTED] stated Rider #1 received a phone call while inside his vehicle and stayed on the phone most of the ride.

[REDACTED] stated the two offenders did not make conversation with him and whispered to each other during the ride. The Uber application listed the drop off location was to be on the 1400 block of N WIELAND but has been shielded on [REDACTED] UBER application interface. Rider #1 was on his cell phone for most of the ride. [REDACTED] stated he heard rider #2 tell #1 that he should change the location for drop off on his UBER application, somewhere in the "100's", suggesting the south side of Chicago. Shortly thereafter, the rider #2 demanded they get dropped prior to the listed drop off location. At 1400 N Wells rider #2 demanded he stop and he jumped out of the vehicle and then waived down a Taxi. [REDACTED] stated from the time the 2 riders entered his Uber vehicle, a Toyota Highlander, he thought he was going to be robbed. [REDACTED] stated the riders refused to communicate with him which led to his fear of being robbed. [REDACTED] stated he found it very odd that the pair discussed changing the drop off location and then entering a Taxi prior to their final destination. [REDACTED] stated he may be able to make an identification of Rider Number 1, but was unsure about rider #2.

[REDACTED] indicated that the riders may have been of African decent, based on the way Rider #1 called him "brother" with an African Accent. [REDACTED] stated he has NO VIDEO RECORDING system inside his vehicle. [REDACTED] stated both riders had a very dark complexion. [REDACTED] stated he will be available in the future if R/D has any further questions or needs to re-interview him.

HISTORY & INVESTIGATION:

At approximately 1343 HRS on 23 09 FEB 2019 the R/D was assigned to conduct a photo lineup at Area Central Detective Division located at 5101 S Wentworth Ave in Chicago. The R/D was acting as an independent administrator for Det. MURRAY #20808. Sgt. BLAS #1248 had provided R/D with the photo array.

was provided with a photo lineup advisory form prior to viewing the photo array. The R/D read the form to him and afforded him the opportunity to read the form for himself. said he understood the photo array advisory form instructions that were read to him.

signed the advisory form and stated that he consented to be recorded; signed the appropriate lines indicating the same.

R/D provided the photo array to reviewed the photo array for approximately 2-3 minutes. was unsure that the person he recognized was inside of the photo array. R/D recommended that start with which pictures he was sure was NOT the person he recognized from this case. After viewed the photo array, he pointed at the picture of "It look like him," stated. The R/D asked to explain what he meant by that. "It look like him, but I'm not sure." referred to the fact that there was a nose ring in the nose of in the mug shot photo, and he was not sure the person involved in this case was wearing a nose ring. circled the photo of and signed his name to it and dated the photo array, and wrote "Look like the passenger in my UBER that night" on the photo array.

related to R/D in this interview that he was an UBER driver, and that he was a West African native and he immigrated to the USA. related to R/D that the passenger in his UBER that night had what seemed to him like a native African accent, but could not tell if the person in his UBER was actually from Africa, or maybe the person was imitating him in either a friendly or mocking manner.

indicated to R/D in his interview that looking at the pictures seemed different as opposed to what people look like in real life, and that he would likely recognize the person involved in this case better if it were in a live lineup.

Refer to ERI recorded interview for specifics.

R/D advised Det. MURRAY and Sgt. BLAS of the results of the photo array. The photo array was inventoried under # 14371697.

On 09 February 2019, Sergeant M. HALEEM #1280 requested the assistance of the Reporting Detective (R/D) to act as an independent administrator of a photo lineup. Sergeant M. HALEEM #1280 provided R/D with a photo array comprised of (6) six mug shot images and a blank Photo Lineup Advisory Form.

R/D conducted the photo array with [REDACTED] in a police vehicle parked in front of [REDACTED] residence at his request. R/D presented the photo array advisory form to [REDACTED] and read over each instruction line by line. [REDACTED] stated that he understood each instruction. R/D also explained to [REDACTED] that he had the option of being video/audio recorded during the photo lineup and [REDACTED] did not consent. [REDACTED] then signed the advisory form noting same.

R/D presented the photo array to [REDACTED] looked at the sheet of paper, taking his time. [REDACTED] said "I don't know any of those. I don't recognize any of those." [REDACTED] continued to look at

the photographs. R/D noticed [REDACTED] pointing to position one for a period of time. R/D asked [REDACTED] if he recognized any one and [REDACTED] said "I don't know." [REDACTED] statement was recorded on the Advisory Form and the form was signed and dated by both [REDACTED] and R/D.

HALEEM of the results. R/D inventoried the photo spread, photo lineup advisory form and corresponding demographics sheet under inventory #14371464

HISTORY & INVESTIGATION:

At approximately 1558 HRS on 23 09 FEB 2019 the R/D was assigned to conduct a photo lineup at Area Central Detective Division located at 5101 S Wentworth Ave in Chicago. The R/D was acting as an independent administrator for Det. MURRAY #20808. Sgt. BLAS #1248 had provided R/D with the photo array.

[REDACTED] was provided with a photo lineup advisory form prior to viewing the photo array. The R/D read the form to him and afforded him the opportunity to read the form for himself. [REDACTED] said he understood the photo array advisory form instructions that were read to him.

[REDACTED] signed the advisory form and stated that he consented to be recorded; [REDACTED] signed the appropriate lines indicating the same.

R/D provided the photo array to [REDACTED] reviewed the photo array. [REDACTED] was unsure that the person he recognized was inside of the photo array. R/D recommended that [REDACTED] start with which pictures he was sure was NOT the person he recognized from this case. After [REDACTED] viewed the photo array, he pointed at the picture of [REDACTED] IL ID# [REDACTED] "It look like him," [REDACTED] stated. The R/D asked [REDACTED] to explain what he meant by that. "It look like him, but I'm not sure." R/D asked [REDACTED] if he was comfortable enough to circle the picture of [REDACTED] IL ID# [REDACTED] indicated that he was not.

[REDACTED] related to R/D in this interview that he was an UBER driver, and that he was a West African native and he immigrated to the USA. [REDACTED] related to R/D that the passenger in his UBER that night had what seemed to him like a native African accent, but [REDACTED] could not tell if the person in his UBER was actually from Africa, or maybe the person was imitating him in either a friendly or mocking manner.

[REDACTED] indicated to R/D in his interview that looking at the pictures seemed different as opposed to what people look like in real life, and that he would likely recognize the person involved in this case better if it were in a live lineup.

[REDACTED] indicated in his interview that as an UBER driver, he always asks his passenger who ordered the UBER ride to identify themselves prior to getting in the UBER. [REDACTED] indicated that the person who looked most like [REDACTED] IL ID# [REDACTED] identified himself as the person who ordered the UBER ride, and the name matched the name of the rider on his telephone which was running the UBER application. [REDACTED] indicated that he was no longer able

to pull up the information on his UBER account as historical access of drivers to riders on the UBER application is blocked due to privacy regulations through UBER.

██████████ indicated that he had picked up two passengers on the aforementioned UBER ride, the first of which was the person who looked the most like ██████████ IL ID# ██████████ ██████████ did not get a good look at passenger #2, as he sat in the back of the UBER. He did indicate that passenger #2 almost got hit by a cab travelling the opposite direction when he dropped off the two passengers at 1400 N Wells St. Originally, ██████████ indicated that the ride was ordered to a final destination on 1400 N Weiland, but the two passengers exited at 1400 N Wells, which ██████████ found strange. ██████████ related that Passenger #1 who looked the most like ██████████ IL ID# ██████████ was taller than Passenger #2, and wore a black hooded sweatshirt but did not have the hood up, and a black stocking hat which covered his forehead and eyebrows, which complicated him from making a 100% identification. He did indicate that Passenger #1 was the individual that spoke to him in what ██████████ described as an African accent upon exiting the UBER. ██████████ indicated that when Passenger #1 and Passenger #2 were riding in the UBER, he did not notice either of them speaking in accents.

██████████ indicated that Passenger #2 was shorter than Passenger #1, and was wearing all black clothing. ██████████ indicated again that Passenger #2 was the person who was almost hit by a cab upon exiting the UBER at 1400 N Wells St.

Refer to ERI recorded interview for specifics.

R/D advised Det. MURRAY and Sgt. BLAS of the results of the photo array. The photo array was inventoried under #14371753.

INVESTIGATION:

On 06 Feb 2019, R/Det. was assigned to assist in this investigation. R/Det. was given a synopsis of this incident. An UBER search warrant return for the records of [REDACTED] showed that on 28 Jan 2018 at 4:20pm the evening prior to the incident, the subject was picked up at 2627 N. Elston Ave. Chicago, Illinois 60647. This address is across the street from a Home Depot hardware store. The address for the Home Depot is 2570 N. Elston Ave. Chicago IL. 60647.

R/Det. along with Det. Curtin #20310 went to the location of 2600 block of North Elston Ave. R/Det. entered the Home Depot at 2570 N. Elston Ave. to get a layout of the store. During the investigation, Det. Heneghan #21312 related that he had a contact person for Home Depot investigations. R/Det. along with Det. Curtin #20310 were redirected to meet [REDACTED] who is an ORC Investigator Northern Division for Home Depot at 1100 E. Woodfield Rd. Suite 300 Schaumburg Illinois. At 1415 hours, R/Det. and Det. Colin met with [REDACTED] who presented a computer generated printout listing the sales of 1/8X48 Braided Nylon/Poly Cord that was sold in the Chicagoland area and surrounding suburban locations for the 28th and 29th of January 2019. After inspecting this document it was determined that the purchase of rope was not made at 2570 N. Elston Ave. Detectives inquired about the listed purchases in the Chicagoland area. [REDACTED] was able to pull video of the purchases coinciding with the times listed on the aforementioned document which was shown to be individuals who appeared to be contractors and was not a match for the subject. The document was inventoried under 14373245.

R/Det. and Det. Curtin returned to Chicago and relocated to the address and learned that 2627 N. Elston Ave. is encompassed in a commercial plaza (Riverfront Plaza). Stores in the plaza included PetSmart, America's Best, Lee Nails, LAZBOY, Micro Center, Joann Fabrics, Vision Works, Burlington Coat Factory, Fitness Factory, US Bank, Dollar Tree, Sally Beauty Supply, Subway, and

The Room Place.

Burlington Coat Factory is located at 2627 N. Elston Ave. R/Det. and Det. Curtin entered the establishment and met with [REDACTED] who was working in the capacity of a loss prevention agent. After having a brief discussion about the surveillance equipment, it was learned that the exterior camera was not functioning. R/Det. observed a fixed camera over the entrance and exit doors of the establishment. R/Det. learned from [REDACTED] that all interior cameras were functioning properly and the fixed camera over the doors capture customers entering and exiting the establishment. When asked about video retention, [REDACTED] related he wasn't sure but believed it was about 30 days. When asked about retrieval of video, [REDACTED] related that he would have to contact his immediate supervisor. R/Det. and Det. Colin related to [REDACTED] that we would return on the same day at a later time.

R/Det. and Det. Curtin walked over to Target located at 2656 N. Elston Ave. and met with [REDACTED] Assets Protection Specialist. An inquiry was made about the store's surveillance cameras. It was learned that the exterior camera recordings has a 7 day retention period but the interior recordings are retained for approximately 30 days.

R/Det. and Det. Curtin performed a visual inspection of the other stores in the plaza for exterior cameras. PetSmart, America's Best, Lee Nails, LAZBOY, and Micro Center did not have exterior mounted cameras. Most of the other stores in the plaza were undergoing front fascia construction and did not have exterior cameras.

R/Det. and Det. Curtin walked over to 2555 N. Elston Ave. which is a social media recording location for Garrett's Popcorn. Once there we met Det. Hagen #20606 and Det. Zambrano #21178. Det. Hagen was given authorization to inspect surveillance equipment and download needed video for this investigation.

Subway restaurant video retention expired.

Det. Hagen was given authorization by Sally's Beauty Supply employee to inspect surveillance equipment and download needed video for this investigation.

R/Det. along with Detectives Curtin, Hagen and Zambrano returned to Burlington Coat Factory and spoke with [REDACTED] again. [REDACTED] related that another employee has the key to unlock the surveillance DVR was on his way in to assist with the system and download any video needed for this investigation.

HISTORY AND INVESTIGATION:

This report is to be read in conjunction with all other reports generated under this Record Division Number. This report is a summarization of all reported information and is not to be considered verbatim.

R/D was asked by Detective Thies # 21217 to conduct a photo lineup.

In furtherance of this investigation a photo array was conducted.

Prior to viewing the photo array, the Independent Administrator, Detective Patrick Keane # 20631, read and explained the photo/live lineup advisory form to [REDACTED] who followed along, which he then signed. [REDACTED] stated he did not want to be audio or video recorded and circled and signed

the do not consent portion.

R/D presented the photo array and upon viewing the photo array, [REDACTED] stated, none of the subjects look like the person. I really only saw the eyes and I can't tell in these photos. I shined a light in his face and he backed up.

The photo/live lineup advisory form, photo array, and demographics sheet was subsequently inventoried under Inventory 14373243 by Detective Keane # 20631.

CPD Inventory # 14373247: Lineup, Demographics Sheet, Lineup advisory Form

HISTORY AND INVESTIGATION:

This report is to be read in conjunction with all other reports generated under this Record Division Number. This report is a summarization of all reported information and is not to be considered verbatim.

R/D was asked by Detective Thies # 21217 to conduct a photo lineup.

In furtherance of this investigation a photo array was conducted.

Prior to viewing the photo array, the Independent Administrator, Detective Patrick Keane # 20631, read and explained the photo/live lineup advisory form to [REDACTED] who followed along, which he then signed. [REDACTED] stated he did not want to be audio or video recorded and circled and signed the do not consent portion.

R/D presented the photo array and upon viewing the photo array, [REDACTED] stated, out of all the subject's the guy on the top left looks the closest, but I'm not sure. I don't think he is the one.

The photo/live lineup advisory form, photo array, and demographics sheet was subsequently inventoried under Inventory 14373247 by Detective Keane # 20631.

INVESTIGATION:

31 Jan. 2019

This is a summary and should not be considered verbatim unless otherwise indicated. On 31 Jan. 2019 R/D was assigned by Sgt. Roney #2244 to follow up retrieving video from several locations in proximity to the crime scene. R/D first stopped at 4 [REDACTED] N. McClurg Ct. and spoke to [REDACTED] who provided video files of their outside cameras on their ExacqVision server from 0100 to 0230 on 29 Jan 2019. [REDACTED] related that the cameras are motion activated and that their dock views show 2 subjects walk past around 0140 hours. The files provided were burned to disk and inventoried under #14389454

R/D next stopped at 4 [REDACTED] n McClurg Ct. and spoke to [REDACTED] who related that their only outside cameras are on the front door (porte cochere) and their garage door view. Their system is a complete view remote client and the system time read 1333 hours when the actual time was 1334 hours. Video files for both views were downloaded and then burned to disk. The disk was then inventoried under #14389453. Upon review of the video it was discovered that there was no motion in their garage and the doors never opened. The front door view did not seem to capture any suspects.

R/D then went to 301 E. North Water St. (Shetaton) and met [REDACTED] who had a USB flash drive prepared for the police. R/D took custody of the USB drive and inventoried it under #14389512 and burned the files to disk which was inventoried under #14389448. Review of the video shows that the cameras only record when they detect motion. R/D believes at 0204 hours

the victim crosses the street from the Assoc. exit east view. Just behind him another subject comes into view just before the video cuts off due to insufficient motion. Less than a minute later the other views, CBC west and L1 PROM south show 2 subjects running and startle a security guard holding a flash light as they pass.

INVESTIGATION:

01 Feb 2019

This is a summary and should not be considered verbatim unless otherwise indicated. On 01 Feb 2019 R/D was tasked by Sgt. Roney return to 4 [REDACTED] N. Mc Clurg Ct. and spoke to [REDACTED] who was able to find the north and south dock view cameras that do show a portion of New St. R/D downloaded the video files from their Complete View client from the morning of 29 Jan 2019 and burned them to disk which was inventoried under #14389452. Review of the video shows 2 possible offenders walk south bound on New St. at 0146 hours, walk back northbound at 0159 hours, and then running back south bound at 0204 hours.

R/D also returned to 301 E. North water St. to speak to [REDACTED] at the Sheraton Hotel. He provided another USB flash drive with more footage from their Assoc. exit east view starting at 0130 hours on 29 Jan 2019 and ending at 0300 hours. Review of the extra footage only showed vehicles that drove past which provided enough motion for the camera to start recording. The original USB flash drive was inventoried under # 14389513 and a copy of the files burned to disk was inventoried under #14389517.

15-FEB-2019

The contents of this report, including interviews, are in essence and not verbatim unless otherwise noted by quotation marks.

At approximately 1250 hours, while in the Area Central SOMEX Office, R/D and Det. Theis #21217 were made aware that Attorney ██████████ was in the Area Central conference room and was requesting to speak with her clients, Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO. R/D and Det. Theis were instructed to respond to the Area Central conference room and meet with Attorney ██████████ who was in the company of supervisory personnel (Also present were Attorney ██████████ TFO SA Wing, Sgt. Blas, Sgt. Haleem, Lt. Valdez and Commander Wodnicki). R/D and Det. Theis were then introduced to the colleague of Attorney ██████████ Attorney ██████████ R/D was presented with a photocopy of an Illinois Drivers License ██████████ and Cook County Attorney Card belonging to ██████████ Attorney ██████████ and Attorney ██████████ requested to speak with their clients. R/D stated that he and Det. Theis would help facilitate that request. R/D and Det. Theis took their leave and returned to the Area Central SOMEX office and began to prepare two Attorney Visitation Notifications.

At approximately 1315 hours, R/D and Det. Theis went to the 002nd District desk and signed Abimbola OSUNDAIRO out of the 002nd District male lock up. Abimbola OSUNDAIRO was brought up to Area Central where he was placed in interview room #1. At approximately 1335 hours, R/D and Det. Theis accompanied Attorney ██████████ and Attorney ██████████ to interview room #1. Attorney ██████████ and Attorney ██████████ then spoke with Abimbola OSUNDAIRO. Prior to leaving, R/D insured that the ERI system was off and Abimbola OSUNDAIRO, Attorney ██████████ and Attorney ██████████ had privacy. R/D and Det. Theis then returned to the Area Central SOMEX Office. At approximately 1435 hours, R/D and Det. Theis were notified that Attorney ██████████ and Attorney ██████████ were finished speaking with Abimbola OSUNDAIRO and would like to speak with Olabinjo OSUNDAIRO.

At approximately 1440 hours, R/D and Det. Theis went to the 002nd District desk and signed Olabinjo OSUNDAIRO out of the 002nd District male lock up. Olabinjo OSUNDAIRO was brought up to Area Central where he was placed in interview room #7. R/D and Det. Theis returned to interview room #1 where R/D presented Abimbola OSUNDAIRO with the Attorney Visitation Notification. Abimbola OSUNDAIRO reviewed the form, initialed and checked the "Agreed to the visitation" box, then signed the form.

At approximately 1500 hours, R/D and Det. Theis accompanied Attorney ██████████ and Attorney ██████████ to interview room #7. Prior to Attorney ██████████ and Attorney ██████████ entering the room, R/D presented Olabinjo OSUNDAIRO with the Attorney Visitation Notification. Olabinjo OSUNDAIRO reviewed the form, initialed and checked the "Agreed to the visitation" box, then signed the form. Attorney ██████████ and Attorney ██████████ then spoke with Olabinjo OSUNDAIRO. Prior to leaving, R/D insured that the ERI system was off and Olabinjo OSUNDAIRO, Attorney

██████████ and Attorney ██████████ had privacy. R/D and Det. Theis then returned to the Area Central SOMEX Office. At approximately 1600 hours, R/D and Det. Theis were notified that Attorney ██████████ was finished speaking with Olabinjo OSUNDAIRO.

(It is to be noted that after reviewing the arrest reports for Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO, it was observed that on 15-FEB-2019, the sign out times were incorrect for each. It appears when Abimbola OSUNDAIRO was signed out, Olabinjo OSUNDAIRO was marked as released from the 002nd District lock-up and when Olabinjo OSUNDAIRO was signed out, Abimbola OSUNDAIRO was marked as released from the 002nd District lock-up.)

At this point, Attorney ██████████ and Attorney ██████████ left the interview area with R/D and Det. Theis. The four were met by Sgt. Blas and Sgt. Haleem. Attorney ██████████ related that her client, Olabinjo OSUNDAIRO would be willing to speak to police but Abimbola OSUNDAIRO was still apprehensive. Attorney ██████████ related that her clients were not very trusting of police. Attorney ██████████ and Attorney ██████████ were then accompanied to the Area Central conference room by R/D and Det. Theis. Sgt. Blas and Sgt. Haleem then notified Area Central supervisory personnel who also joined the group in the conference room. (Also present were TFO SA Wing, Sgt. Blas, Sgt. Haleem, Lt. Valdez and Commander Wodnicki). Attorney ██████████ again related that her client, Olabinjo OSUNDAIRO would be willing to speak to police but Abimbola OSUNDAIRO was apprehensive. Attorney ██████████ stated she felt Abimbola OSUNDAIRO would talk with police. Attorney ██████████ went on to state Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO did not trust the police in general, and both wanted to verify that police actually had evidence against them before giving any statements. Attorney ██████████ suggested, in an effort to put her clients at ease, that Commander Wodnicki conduct the interviews of Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO which Commander Wodnicki declined. It was at this point, R/D and Det. Theis left the conference room, in order to make preparations for the interviews of Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO, while the discussion in the Area Central conference room continued. Det. Theis began to get the line-up viewing room ready for the first interview. R/D returned to the Area Central SOMEX office and completed the Attorney Visitation Notification forms and requested SOMEX team members gather still images from recovered video, other paperwork and photographs, which may be necessary for someone to use in the listed interviews.

At approximately 1700 hours, R/D relocated to the line-up viewing room in Area Central and met Det. Theis. R/D and Det. Theis finished preparations to the interview room and then returned to the Area Central conference room notifying Sgt. Haleem things were ready for the interviews of Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO Olabinjo (Also present were Attorney ██████████ Attorney ██████████ TFO SA Wing, Sgt. Blas and Commander Wodnicki). Sgt. Haleem informed R/D and Det. Theis that they would conduct the interviews with Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO. Olabinjo OSUNDAIRO would be interviewed first. Prior to the interview of Olabinjo OSUNDAIRO, Attorney ██████████ requested that Commander Wodnicki speak to Olabinjo OSUNDAIRO with her and Attorney ██████████ presence. Commander Wodnicki would then introduce R/D and Det. Theis. R/D and Det. Theis would give a brief presentation about the facts of the case and then attempt to conduct an interview with Olabinjo OSUNDAIRO about the events surrounding 29-JAN-2019. Sgt. Haleem stated the same practice would also be done for the interview of Abimbola OSUNDAIRO.

R/D then retrieved the information compiled by SOMEX team members. Olabinjo OSUNDAIRO was then taken from interview room #7 and allowed to use the restroom. From there, Olabinjo OSUNDAIRO was placed in the line-up viewing room. Olabinjo OSUNDAIRO was then joined by

Attorney [REDACTED] and Attorney [REDACTED] Commander Wodnicki then joined the group and had a brief conversation with Olabinjo OSUNDAIRO and his attorneys, ultimately introducing R/D and Det. Theis. Olabinjo OSUNDAIRO requested some hand sanitizer. R/D and Det. Theis exited the room to obtain the hand sanitizer, at which point, the ERI system was activated. A brief conversation, not pertaining to the case, between Attorney [REDACTED] and Olabinjo OSUNDAIRO was captured on ERI video.

At approximately 1741 hours, R/D and Det. Theis entered the line-up viewing room and began the interview of Olabinjo OSUNDAIRO in the presence of Attorney [REDACTED] and Attorney [REDACTED]. Introductions were made and R/D informed the group that the interview was being audio and video recorded to which the group consented. Olabinjo OSUNDAIRO was then read his rights and confirmed that no promises were made or could be made in return for his statement and cooperation. Olabinjo OSUNDAIRO acknowledged this and the interview continued. R/D and Det. Theis then briefly related the facts of the case to Olabinjo OSUNDAIRO. After Olabinjo OSUNDAIRO was satisfied with the explanation of R/D and Det. Theis, Olabinjo OSUNDAIRO gave a detailed account about the events from 25-JAN-2019 to 29-JAN-2019. In essence, Olabinjo OSUNDAIRO stated that a plan was formulated and put into play by [REDACTED] to conduct a staged incident where [REDACTED] was beaten by Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO posing as persons other than themselves. This was being done because [REDACTED] was unhappy about the response he received over hate mail which was delivered to him on 22-JAN-2019 and recorded under CPD RD# JC125614. At one point in the interview, Attorney [REDACTED] requested a moment with her client. Det. Theis then "masked" the video and audio. R/D and Det. Theis left the room. For a more comprehensive version of this interview, please refer to the ERI video of this event. At approximately 1811 hours, the interview was terminated and the ERI recording shut off. Olabinjo OSUNDAIRO was again offered food but declined eating.

Attorney [REDACTED] and Attorney [REDACTED] were then brought to interview room #1 where they had a conversation with Abimbola OSUNDAIRO. After the interview was concluded, Attorney [REDACTED] and Attorney [REDACTED] left interview room #1 and spoke with R/D, Det. Theis and Sgt. Blas. Attorney [REDACTED] related that Abimbola OSUNDAIRO was still very skeptical and felt that regardless of what happened, he would be charged with a crime. In an effort to make Abimbola OSUNDAIRO more comfortable, Sgt. Blas suggested letting Olabinjo OSUNDAIRO sit in on the interview with Abimbola OSUNDAIRO. Attorney [REDACTED] and Attorney [REDACTED] believed that having Olabinjo OSUNDAIRO in the interview would ease the fears of Abimbola OSUNDAIRO. Sgt. Blas stated that he would have to get prior approval for this to occur. Sgt. Blas took his leave and had a discussion with supervisory personnel. Sgt. Blas returned and stated that Commander Wodnicki gave his approval to have Olabinjo OSUNDAIRO in the interview with Abimbola OSUNDAIRO provided Olabinjo OSUNDAIRO remain quiet and let Abimbola OSUNDAIRO answer questions. Attorney [REDACTED] and Attorney [REDACTED] again spoke with Abimbola OSUNDAIRO in interview room #1. After the interview was concluded, Attorney [REDACTED] and Attorney [REDACTED] left interview room #1 and spoke with Sgt. Blas, informing him that Abimbola OSUNDAIRO would speak with police.

Abimbola OSUNDAIRO was then taken from interview room #1 and was placed in the line-up viewing room. Abimbola OSUNDAIRO was then joined by Olabinjo OSUNDAIRO, Attorney [REDACTED] and Attorney [REDACTED]. Commander Wodnicki then joined the group and had a brief conversation with Abimbola OSUNDAIRO and his attorneys, ultimately introducing R/D and Det. Theis. The ERI system was activated. At approximately 1955 hours, R/D and Det. Theis entered the line-up viewing room. Abimbola OSUNDAIRO stated he was afraid that his video interview would be released to the

public. Det. Theis checked and insured the ERI system was activated. Introductions were made and R/D informed the group that the interview was being audio and video recorded to which the group consented. Abimbola OSUNDAIRO was then read his rights and confirmed that no promises were made or could be made in return for his statement and cooperation. Abimbola OSUNDAIRO acknowledged this and the interview continued. Det. Theis then briefly related the facts of the case to Abimbola OSUNDAIRO. After Abimbola OSUNDAIRO was satisfied with the explanation of Det. Theis, Abimbola OSUNDAIRO gave a detailed account about the events from 25-JAN-2019 to 29-JAN-2019. In essence, Abimbola OSUNDAIRO stated that a plan was formulated and put into play by [REDACTED] to conduct a staged incident where [REDACTED] was beaten by Abimbola OSUNDAIRO and Abimbola OSUNDAIRO posing as persons other than themselves. This was being done because [REDACTED] was unhappy about the response he received over hate mail which was delivered to him on 22-JAN-2019 and recorded under CPD RD# JC125614. At one point in the interview, Attorney [REDACTED] requested a moment with her client. Det. Theis then "masked" the video and audio. R/D and Det. Theis left the room. For a more comprehensive version of this interview, please refer to the ERI video of this event. At the conclusion of the interview of Abimbola OSUNDAIRO, Olabinjo OSUNDAIRO was asked a couple of questions for clarification purposes.

Olabinjo OSUNDAIRO was then asked to leave the room. Abimbola OSUNDAIRO was then shown a photograph and asked to identify the person depicted in the photograph. Abimbola OSUNDAIRO stated the person in the photograph was [REDACTED] and the same subject in which was being discussed in his interview. The photograph was then signed by everyone in the room.

Abimbola OSUNDAIRO was then asked to leave the room. Olabinjo OSUNDAIRO re-entered and was then shown a photograph and asked to identify the person depicted in the photograph. Olabinjo OSUNDAIRO stated the person in the photograph was [REDACTED] and the same subject in which was being discussed in his interview. The photograph was then signed by everyone in the room. At approximately 2120 hours, the interview was terminated and the ERI recording shut off.

During the course of the interviews, Area central supervisory personnel decided to release Abimbola OSUNDAIRO and Olabinjo OSUNDAIRO without charging. At 1923 hours, Lt. Sharon HUFFMAN officially released Olabinjo OSUNDAIRO without charging. At 1957 hours, Lt. Sharon HUFFMAN officially released Abimbola OSUNDAIRO without charging.

During the time spent with R/D and Det. Theis on 15-FEB-2019, Abimbola OSUNDAIRO and Olabinjo OSUNDAIRO were offered food and water several times. Both accepted water but declined food. Both were allowed the use of the restroom and given multiple opportunities to speak with their attorneys privately.

INVESTIGATION:

1 February 2019

The contents of this report, including interviews, are in essence and not verbatim unless otherwise noted by quotation marks.

At the start of the day R/D and P.O. Gilbert #15552 went to the Hyatt Regency Hotel. R/D picked up a disk that was being held by security. The disk contained the video footage from Hyatt Regency Hotel security cameras and a player for some of the video. The video had been viewed and marked

for export by R/D, Det. Calle, Det. Haro, and Det. Vogenthaler the day before, 31 Jan 2019. The selected video was from outside cameras that showed Stetson Ave, East South Water Street, and East Wacker drive. This disk was inventoried under #14367663.

R/D and P.O. Gilbert then relocated to the Chicago Regional Computer Forensics Laboratory (CGRCFL) to submit the 32 Gigabyte (GB) Secure Digital Memory Card (SD Card) that was retrieved from Yellow Cab #1394 the night before. At the CGRCFL, R/D spoke with [REDACTED] who took custody of the 32GB SD card and assigned it to CGRCFL inventory number CGRCFL128664 and assigned it to CGRCFL case number 19-CGRCFL-0108.

R/D and P.O. Gilbert met up with Task Force Agent(TFA) Special Agent(SA)Wing and Det. Jasica #20420 at the 3600 block of North Marshfield. R/D and Det. Jasica went to the 3600 block of N. Marshfield and retrieved video from a house that had been viewed the day before. This video showed the two subjects getting out of the yellow cab, proceed to the west side of the street and walk north bound on the west sidewalk of N. Marshfield Ave. The video footage showed the two subjects walking across Waveland Ave and continue down the west sidewalk of N. Marshfield Ave. This video was inventoried under this case number and sent to CPD's Evidence and Recovered Property Section (ERPS).

R/D, P.O. Gilbert, TFA SA Wing, and Det. Jasica conducted a canvass which started starting at the 3700 block of Marshfield and headed north bound on Marshfield. Any house that appeared to have a video camera or a video doorbell was knocked on and the team requested to view the video. At approximately 1400 hrs the team was joined by Det. Calle #20177 and at approximately 1500hrs Det. Jasica returned to the Area. The last location the subjects were seen on video was near the intersection of W. Grace St. and N. Marshfield Ave. The team searched both directions on Grace St. as well as further north on Marshfield Ave. and the subjects were not seen on any other video located at this time.

R/D, P.O. Gilbert, TFA SA Wing, and Det. Calle relocated to Area Central Detective Division. Once at the Area, Det. Hill #20889 and Det. Haro #20159 joined the team and there was a briefing with command personnel and the team. At the completion of the briefing R/D received a call from [REDACTED] phone number [REDACTED] the driver of Yellow Cab #1394, who stated he would be willing to come in and be interviewed but he had no way of getting to Area Central. In order to facilitate the interview Det. Calle and P.O. Gilbert took a department vehicle and went to pick up [REDACTED]

[REDACTED] arrived at Area Central at approximately 2300hrs. [REDACTED] was interviewed by R/D, Det. Calle, and TFA SA Wing. [REDACTED] explained that he shared the Yellow cab with a partner, [REDACTED] would usually start driving around 0400hrs since he had the cab during the day shift but on the morning of January 29th, 2019 [REDACTED] had parked the car early. [REDACTED] decided to start his shift early since the cab was available. On most mornings [REDACTED] goes to the HYATT regency and will wait there for about 15 minutes or so to see if any fares are available. On the morning of January 29th [REDACTED] had pulled up in front of the Hyatt Regency and stated that he got out of his car to clean the windows and then was sitting in his car waiting to see if a fare would show up. After a few minutes the doors opened startling [REDACTED] He explained that he would lock the doors so he could get a look at a person before they entered his taxi. [REDACTED] thinks he forgot to lock his doors after cleaning the window. He said he could see the one that got in on the passenger side of the car pretty well and [REDACTED] described him as a dark skinned black male with a goatee 25 to 30 years old. This person said "Hey brother" when he got into the cab and

was wearing all black with a big jacket and a hat pulled back. [REDACTED] said the person had a big build. [REDACTED] said he could not see the second person who sat behind him. When the second person got in he said "Hey boss". [REDACTED] felt the second person sounded "black". [REDACTED] stated that he was nervous and said "if they say they want to go south I tell them no" and then "but they say they want to go to Lake Shore Drive and Belmont so I think ok". [REDACTED] said he saw the person on the passenger side on a cell phone "only text no talk". [REDACTED] drove to Lake Shore Drive and went north to the Belmont exit. The person on the passenger side told [REDACTED] to make a series of right and left turns in rapid succession and then said stop. [REDACTED] was not sure where he was located. [REDACTED] was pretty sure one of the first turns he was told to make was to make a right on Sheffield but he could not be sure of any of the turns after getting off on Belmont. Once [REDACTED] stopped the taxi the person on the passenger side of the car gave him twenty dollars and said "keep the change." [REDACTED] told R/D the fare was nineteen dollars. The two passengers then walked to the "left" side of the street and [REDACTED] said he drove away. [REDACTED] stated he remembered the event clearly because he thought he was going to get robbed. [REDACTED] felt he would be able to identify the person on the passenger side of the car if he saw him again.

Once the interview was complete, Det. Calle and P.O. Gilbert drove [REDACTED] back home. [REDACTED] was dropped off at approximately 0015hrs on 2 February 2019.

R/D and TFA SA Wing discussed the interview and progressed the administrative work.

The investigation continues.

2 February 2019

The contents of this report, including interviews, are in essence and not verbatim unless otherwise noted by quotation marks.

At the start of the day R/D met with Det. Chorak #20069 and Det. Rasmussen #20103 who were asked to search in the area of Illinois and lower LSD for any camera's that caught sight of the two subjects.

R/D was notified that Det. Chorak and Det. Rasmussen spoke to the property manager, [REDACTED] for 474 N. Lake Shore Drive. Later, [REDACTED] contacted Area Central and notified Det. Hill #20889 that he had video of two individuals getting out of a taxi on Illinois Ave and Lower LSD. R/D relocated to [REDACTED] to meet with [REDACTED] at his home. [REDACTED] had downloaded the video and told R/D that the time stamps were accurate to real time. R/D viewed the video on [REDACTED] computer and did see the two suspects get out of a Taxi. R/D took the recovered video and left. Once in the car, R/D utilized a laptop to access the video and viewed it in more detail. Once the two subjects exited the Taxi at Illinois St. and Lower LSD they head south bound down Lower LSD. R/D began trying to identify the taxi logo and submitted screen shots to the SOMEX team to enlist there aid in identifying the taxi. R/D determined the taxi to be a Sun Cab but could not make out the number of the Taxi. Det. Fronczak and Det. Burns went to Sun Cab and were able to identify the Taxi number see their progress report for details.

R/D relocated to 445 E. Illinois St. and spoke with the leasing manager [REDACTED] showed R/D to an office and gave R/D access to the security camera footage for the building. R/D utilized the camera software, Speco Central II, to analyze the different camera views and make a list of all cameras that captured the movements of the two suspects on 29 January 2019. The cameras were all along the River East Art Center Promenade along the Ogden Slip. There were 3 different DVR systems that controlled the necessary cameras. The three DVR systems are:

- * Basement East DVR
 - o Controls cameras 1,2,4,5
- * Basement West DVR 3
 - o Controls cameras 3,7
- * Basement West DVR 4
 - o Controls cameras 6,8,9,10

The following are those cameras that captured video of the suspect's movements:

1. Southeast Corner
2. Southeast Riverwalk
3. South Amenities Entrance
4. River Front Lounge
5. Group Fox Entrance
6. Southwest Commercial Entry
7. South bay 3 Riverwalk
8. Southwest River
9. Southwest Corner
10. Southwest River Walk

o The two subjects are caught walking back and forth on this camera on three separate occasions all within a few minute timespan.

R/D then collected the video from all ten cameras.

R/D then relocated to Area Central Detective Division and uploaded the collected video. Video from 445 E. Illinois was inventoried under # 14389637. Video collected from 474 N LSD was inventoried under #14389626.

R/D, TFA SA Wing, Det. Hill #20889, Sgt. Blas #1248, Lt. Valdez #529 had a meeting while Commander Wodnicki # 356 was on the phone. The meeting attendees discussed the current state of the case and talked about next steps.

Det. Paragas brought the video he recovered from Sun Taxi #904. See Det. Paragas' reports for information on video recovery and inventory. R/D began viewing and analyzing the video. Video showed the two subjects getting out of a black SUV and flagging down the Taxi. The two subjects got in Sun Taxi #904 and took it to Illinois St. and Lower LSD. When both subjects get into the taxi their faces are not covered. Throughout the ride both subjects cover their faces. The taxi video confirms the two subjects exited the vehicle at Illinois St. and Lower LSD and head South down Lower LSD.

R/D, TFA SA Wing, and Det. Hill #20889 analyzed video footage, reviewed Sun Cab video, and then created a list of accomplishments for the day as well as a TODO list for February 3rd, 2019.

The investigation continues.

INVESTIGATION:

14 Feb 2019 at 1214 hours

Victim [REDACTED] arrived at Area Central Detective Division conference room in order to be re-interviewed by Detectives. Victim [REDACTED] was accompanied by Attorney [REDACTED] (DOB [REDACTED] 1947 cell [REDACTED] and Attorney [REDACTED] (DOB [REDACTED] 1991 cell [REDACTED] transcribing the interview. Sgt. HALEEM #1280, Det. JASICA #20420 and Det. GRAVES #20007 were in the conference room to conduct the interview. This is a summary of said interview not verbatim, unless otherwise noted.

Victim [REDACTED] described the attack again and was consistent with what he previously stated. Victim [REDACTED] did however state that the description of the offender was "pale" and he pointed to the area just above the bridge of the nose as the area that he was able to see. Victim [REDACTED] was asked why he originally stated that the offender he was able to see was white. Victim [REDACTED] related he did not say he was white. Det. GRAVES then reminded Victim [REDACTED] that he stated, in the hospital, the offender was white. Det. GRAVES also reminded him that he was specifically asked in the hospital about the mask that the offender was wearing, if the mask had the eye holes cut out or if it was a face mask exposing the area above the nose. Victim [REDACTED] had originally stated he was able to see the area between the eyes and the offender was white. Victim [REDACTED] now stated that he "assumed they were white due to the comments that were made." Victim [REDACTED] reiterated that he was only able to see the area just above the bridge of the nose.

Victim [REDACTED] originally stated that he only called [REDACTED] on his way to Subway and his manager [REDACTED] after he landed at O'Hare airport. Victim [REDACTED] described the earbuds he was wearing at the time he was on the phone with [REDACTED]. He described them as black wired connected to his phone and he only had one bud in his ear. Victim [REDACTED] now stated that he called his trainer [REDACTED] on his way home from the airport, to reschedule his training session for the morning. Victim [REDACTED] related that he wanted to get "shredded" for an upcoming music video he was going to do. Victim [REDACTED] related they had a training session for 8 pm but had to be cancelled due to the numerous flight delays from New York to Chicago. [REDACTED] was going to set up a training schedule and food plan for victim [REDACTED] because [REDACTED] was going out of town. Victim [REDACTED] related that he calls his trainer [REDACTED] because he has a long Nigerian name.

Victim [REDACTED] stated that he only has one (1) cell phone but now has a different number, which was changed immediately after the incident. The previous cell number was [REDACTED] now it is [REDACTED]. Victim [REDACTED] was asked about the previous case report that was filed with the threats in the letter and whose telephone number that was provided, Victim [REDACTED] believed it was his assistant [REDACTED] number [REDACTED]. Victim [REDACTED] related that the next time he had contact with [REDACTED] was a text message at approximately 0930 hours after the incident was in the media. [REDACTED] said tell me this didn't happen.

Victim [REDACTED] then viewed the community alert that was distributed by Chicago Police Dept. (INV# 14375908) and he stated those are the guys that attacked me. Victim [REDACTED] related that there were no other people out on the street at that time and he remembers seeing vehicles parked on the street, but did not see any vehicles driving in the area at that time.

Victim [REDACTED] was shown and asked about the redacted phone records that he provided to the Chicago Police Dept. and he stated "I only gave what I was asked for." A copy of the redacted phone record was inventoried under # 14375908.

Victim [REDACTED] viewed two (2) single photos at 1255 hours (INV# 14375908). Victim [REDACTED] identified one photo as [REDACTED] (DOB [REDACTED] 1993) as his trainer, his friend and an extra on Empire. Victim [REDACTED] related that he got the job for [REDACTED] as a stand in for his fiance on the show.

Victim [REDACTED] identified the other photo as [REDACTED] of [REDACTED] (DOB [REDACTED] 1991). He did not know his name. Victim [REDACTED] related that they are [REDACTED] and they live together somewhere north near Ashland. Victim [REDACTED] related that he was never in their house, he just drove past their house. Victim [REDACTED] related that [REDACTED] has been inside his residence, they have gone out as friends to clubs numerous times. Victim [REDACTED] said that he was only out with [REDACTED] a couple of times and he did not know him very well.

Victim [REDACTED] stated that he has known [REDACTED] for about one year. [REDACTED] has been his trainer for three to four weeks. Victim [REDACTED] stated that he first met [REDACTED] when he was an extra on the set of Empire.

Victim [REDACTED] realized that the photos he viewed were of the persons that were in custody at this time. Victim [REDACTED] said it can't be them, "They are black as sin". We don't have any issues. They are straight so we don't have any problems with women or men. They did not owe me any money, I don't owe them any money. We have a good relationship.

Victim [REDACTED] was asked if he would sign complaints and prosecute and he stated yes he would. Attorney [REDACTED] then stopped him and stated they will discuss it.

Multiple times during the interview Attorney [REDACTED] attempted to end the interview because victim [REDACTED] had to be on the Empire set, but victim [REDACTED] repeatedly stopped him and stated that he wanted to finish this.

Finally Attorney [REDACTED] stated it was time to go because he was late for the show Empire. The interview was terminated at this time.

INVESTIGATION:

07-FEB-2019

The contents of this report, including interviews, are in essence and not verbatim unless otherwise noted by quotation marks.

While members of the Area Central SOMEX Team were conducting a review of crime scene photographs and video, video clips show at approximately 0203 hours on 29-Jan-2019, a silver or gold SUV was observed on a Police Observation Device (POD), driving southbound on North New Street. Sheraton Hotel (located at 301 East North Water Street) Associate Exit east camera (motion activated) shows the same vehicle westbound onto East Lower North Water Street, complete a U turn and park facing eastbound on the south curb. Video also shows [REDACTED] walking south on New Street passed East Lower North Water Street with at least one unknown subject walking behind [REDACTED]. As this subject enters the view of the camera, the motion activated video footage stops.

At Approximately 0205 hours on 29-JAN-2019, a dark colored SUV was observed on the same POD camera driving southbound on North New Street. Sheraton Hotel Associate Exit East camera (motion activated) shows the same vehicle westbound onto East Lower North Water Street, and continue westbound, passing an unknown subject walking westbound on East Lower North Water Street on the north side of the street.

08-FEB-2019

The Area Central SOMEX Team reviewed crime scene photos in an attempt to identify the first vehicle which parked facing eastbound on the south curb of East Lower North Water Street. SOMEX Team members discovered crime scene photographs showing the SUV. SOMEX Team members were able to determine the vehicle to be a Chevy SUV. R/D was able to observe the front license plate of the vehicle which contained two letters followed by [REDACTED]. A systematic search of the Illinois Secretary of State's database revealed a 2018 Chevy vehicle, with the license plate [REDACTED] was registered to [REDACTED] of [REDACTED] in Chicago. A search of Chicago police used databases showed a phone number of [REDACTED].

R/D contacted [REDACTED] by phone, about her vehicle and asked if her vehicle was in the area of North New Street and East Lower North Water Street on 29-Jan-2019 at about 0200 hours. [REDACTED] stated she was in the area and asked if my inquiry was concerning that [REDACTED] case. R/D then set up an in-person meeting with [REDACTED] at her residence. At approximately 1100 hours, R/D, Det. Theis and Task Force Agent S/A Wing relocated from Area Central to [REDACTED] and met with [REDACTED] who provided R/D with the listed demographics. [REDACTED] was shown the video clip from 29-JAN-2019 at approximately 0203 hours, of the vehicle turning onto East Lower North Water Street, making a U turn, facing eastbound and parking along the south curb. [REDACTED] identified the vehicle as belonging to her and that is the usual spot she parks in. [REDACTED] was then shown a video clip from 29-JAN-2019 at approximately 0205 hours from a camera at the Sheraton Hotel, Associate Exit east camera, of an unknown individual walking westbound on the north side of the street, with a dark colored SUV driving westbound passing the unknown subject on East Lower North Water Street. [REDACTED] stated that the person walking in the video clip was indeed her, and she was walking to her job. [REDACTED] went on to relate, the person driving the dark colored SUV past her was her co-worker, [REDACTED] stated [REDACTED] stopped and asked if she wanted a ride. [REDACTED] stated she declined the ride offer.

[REDACTED] stated it wasn't unusual to see people on New Street, in that area at that time of day.

██████████ related, in the past, she has seen people in that area standing and smoking, people walking around and homeless people sleeping but on 29-Jan-2019, she did not recall seeing anyone in the area or out on the streets with the exception of the three subjects listed below.

██████████ recalled that as she was driving southbound on New Street, approaching East Lower North Water Street, she observed two subjects on the west side of the street and assumed they were standing there smoking. ██████████ stated she did not see them smoking, but assumed so because she has seen people standing near there, smoking in the past. When asked for a description, ██████████ stated that all she could see was two unidentified persons dressed in dark clothing. ██████████ stated she then observed another unknown subject in lighter clothing walking southbound on New Street on the west side of the street and as she began to make her turn onto East Lower North Water Street, she stopped to let this individual pass at which point this person who was stopped at the curb, waved ██████████ past. R/D asked if she could identify this person to which ██████████ replied she could not. ██████████ stated she did notice the person was wearing wired earbuds and stated how dangerous it is to walk around with earbuds in, because it made it so hard to hear. ██████████ added that if she recognized this person to be ██████████ she would have certainly stopped and said something because she was a big fan of ██████████ and a big fan of the TV show Empire. ██████████ stated she then proceeded forward and completed her U-turn and parked in the metered spot that she usually parks in. ██████████ stated she had a clear view to the corner as nobody was parked in front of her. ██████████ said as she got her things ready to walk to her office, she observed the same two individuals that she observed standing on New Street now walking in front of her, southbound on New Street in a hurried fashion. ██████████ stated she did not see where ██████████ went, but was skeptical as to why the two unknown subjects were moving so quickly. ██████████ stated it took less than a minute from the time she parked to when she exited her vehicle, and at this point, the two unknown subjects were out of view. ██████████ stated that it was very quiet that morning and she did not hear a thing. ██████████ went on to say, if she did hear any yelling or screaming, she would have certainly called police. With this, the interview was concluded. R/D, Det. Theis and S/A Wing then returned to Area Central.

R/D then contacted ██████████ by phone. ██████████ stated she would be available for an interview on 10-FEB-2019 at 1200 hours.

10-FEB-2019

R/D and Task Force Agent S/A Wing went to the residence of ██████████ for an interview. R/D and Task Force Agent S/A Wing were invited in and ██████████ provided the listed demographics. ██████████ requested, prior to the interview that an NBC attorney be allowed to listen on speakerphone.

██████████ then contacted ██████████ who identified himself as a corporate attorney for NBC and requested to listen to the interview and was placed on speakerphone. R/D began the interview by showing ██████████ a video clip from 29-JAN-2019 at approximately 0205 hours, of what R/D believed to be her vehicle passing ██████████ who was on foot. ██████████ identified the vehicle as being hers, a Toyota Rav 4. ██████████ then stated the person she passed was a work colleague, ██████████ stated as she approached ██████████ she stopped and asked ██████████ if she wanted a ride.

R/D asked ██████████ her direction of travel on 29-JAN-2019 at approximately 0205 hours. ██████████ stated she drove south on New Street and turned west onto East Lower North Water Street. R/D then asked ██████████ what she observed prior to turning on East Lower North Water

Street. [REDACTED] stated she did not notice anything unusual especially anything resembling an aggravated battery. R/D showed [REDACTED] a Google map of the area in question and identified the area of the attack and asked if she observed anyone in the area. [REDACTED] stated that she saw no one in that immediate area. [REDACTED] went on to say that it is not unusual to see people in that area at that time of day but does not recall if anyone was out on the 29th. [REDACTED] then stated, "If I would have heard or saw something, I would have called 911." With this, the interview was terminated. R/D thanked [REDACTED] and [REDACTED] for the interview and R/D, along with Task Force Agent S/A Wing returned to Area Central.

R/D inventoried a DVD of the video clips shown to [REDACTED] and [REDACTED] along with the crime scene photographs of the license plate. INV# 14384103

The investigation continues.

INVESTIGATION:

The following is a summation and should not be considered verbatim unless noted. On 12 FEB 2019, a search warrant (19SW4998) was approved for the residence of [REDACTED] located at [REDACTED] Search Warrant, Search Warrant Complaint, and Evidence Recovery Log were inventoried under 14385129.

On 13 FEB 2019, R/Det. along with Sgt. HALEEM #1280 and other personnel (see Search Warrant DATA for personnel) relocated to the 019th Dist. for briefing and notifications. A notification about the impending search warrant was made to the 019th District DSS, Sgt. YOUSIF #805. Sgt. Haleem #1280 requested uniformed officers to assist in the search warrant. After learning that the residence may have dogs, Sgt. HALEEM #1280 requested Animal Care and Control. R/Det. along with search warrant personnel, repositioned from the 019th Dist. to the area of [REDACTED] A notification to OEMC was made that the search warrant was about to be executed.

Uniformed officers ANGELO #11107 and JOHNSON #17653 were told to activate their Body Worn Cameras. Search warrant personnel knocked on the door of [REDACTED] marked with the letter [REDACTED] and announced our office along with the term, "search warrant". After waiting for a response from any occupant(s) inside and not hearing one, search warrant personnel knocked again and announced our office along with the term, "search warrant". Not hearing a response, a member on the team related that there appeared to be movement inside of the residence. Another attempt by knocking and announcing our office was made to establish contact by an occupant was fruitless.

Allowing more than reasonable and sufficient time for compliance, an order was given to breach the door of the residence using entry tools.

After striking the door several times, the door's locking mechanisms were defeated. The door would not fully open to gain access into the residence, the breaching member quickly made an assessment and used the breaching tool to strike the door near the hinges which eventually gave way. It was discovered that luggage, bags of clothing, exercise equipment and other random furniture pieces were blocking the entry way. Entry team members moved some of the items and observed a female occupant, now known as [REDACTED] on a cellphone toward the back of the house next to one large dog and one smaller dog.

R/Det. gave several verbal commands to secure both dogs. The female occupant remained on her cellphone and did not comply with the commands. R/Det. as well as entry team members continued to give verbal commands while moving blockages from the doorway. After successfully making a pathway into the residence, the female occupant was ordered to open the rear door to which she complied. Search warrant team members along with the Animal Care and Control agents entered the rear door. The agents from Animal Care and Control used control poles to capture and secured both dogs. It should be noted that the rear of the complex had no exterior makings to identify the apartments. Team members interviewed [REDACTED] and learned that she lives at this location with her husband and her husband's two brothers. [REDACTED] was then escorted to the living room of the apartment and remained on scene during the search.

After ensuring the residence was secure and safe for search warrant members, the evidence technician began to photograph the interior of residence and entryway prior to search.

The search team conducted a systematic search of the residence. When items to be seized were located, the evidence technician marked the items using evidence markers and took photograph(s) prior to the recovery.  Det. J. SANTOS # 21429

INVESTIGATION:

In summary, on 01 FEB 2019 at 0030 hours, R/D CORFIELD # 20613 and Det. SANTOS # 21429 relocated to the Sheraton Grand Hotel located at 301 E North Water St. and interviewed Loss Prevention Agent [REDACTED] related the following in summary and not verbatim:

On the night of the attack, 29 JAN 2019, [REDACTED] was working in his official capacity as a Loss

Prevention Agent for the Sheraton Grand Hotel. [REDACTED] has been employed by the hotel for the past several months. [REDACTED] was conducting "tours" of the property, a normal function of his position. During his "tours", he scans bar codes located throughout the premise with a tablet in order to document that he checked on that particular location. At approximately 0200 hours, [REDACTED] was conducting a "tour" of the Chicago Burger Company restaurant, a restaurant located within the Sheraton Grand Hotel on the southeast corner of the ground floor level of the building. [REDACTED] walked outside the Chicago Burger Company restaurant exterior door onto the Riverwalk area, where one of the bar codes was located. As soon as [REDACTED] exited the building, he heard the sounds of footsteps approaching quickly from the north, and then observed a male, approximately 6' tall, wearing all black with a hood or hat and a facemask. [REDACTED] could only see the skin area near the male's eyes where the facemask had cutouts, and believed the male to be white, in his 20s. [REDACTED] shined his flashlight towards the male and asked what he was doing. The male stated that it was cold out and continued running past [REDACTED] and then W/B along the Riverwalk. Immediately afterwards, a second male, stockier than the first and also wearing all dark clothing, ran past [REDACTED] pointing to the first male as he ran. This second male laughed as he ran past [REDACTED] could not make out this male's race, as he had his arm up, covering his face, as he pointed and ran past [REDACTED] believed this male may have been in his 20s as well. [REDACTED] continued on his "tour", walking N/B on the west sidewalk of New St. to where one of the bar codes was located that he needed to scan. As [REDACTED] looked N/B up New St., he observed a third male at the bottom of the staircase that leads from lower to upper North Water St. [REDACTED] described this third male as a younger looking male, unknown race, bent over as if he was picking up something off the street. [REDACTED] completed his tour and went back inside the building.

[REDACTED] further related that the first male to run past him was not holding anything. [REDACTED] was unsure if the second male to run past him was holding anything or not. [REDACTED] believed that the three subjects may have just been goofing around, throwing snow balls at one another.

This investigation remains in PROGRESS.

INVESTIGATION:

On January 29, 2019, at approximately 2:00 A.M., victim [REDACTED] was physically battered on the public way at 341 E. Lower North Water St., Chicago, IL. 60611 which was reported under Chicago Police Record number JC133190. [REDACTED] initially refused medical attention, but eventually was driven by one of his managers, [REDACTED] to Northwestern Hospital for treatment. During the investigation of the Aggravated Battery/On the Public Way of victim [REDACTED] [REDACTED] investigators learned the following;

On January 29, 2019 Chicago Police responded to 340 E. North Water St. for the report of a battery. Upon arrival, Chicago Police Officers learned that [REDACTED] had been battered about his body.

Investigators learned that on January 29, 2019 at approximately 1:03 A.M., two unknown individuals initiated an Uber ride at [REDACTED]. A dark colored Toyota Highlander Uber vehicle then brought these subjects to the 1400 block of North Wells St. where the ride terminated. This information was obtained by a subpoena return from Uber.

Uber provided the name, [REDACTED] with a phone number of [REDACTED] as the account holder and the originator of this ride.

Investigators obtained information from databases utilized by the Chicago Police Department related to the phone number [REDACTED]. The search revealed a secondary phone number of [REDACTED].

██████████ which is associated to the name of ██████████

Investigators obtained information from databases utilized by the Chicago Police Department related to the phone number ██████████. The search revealed a secondary phone number of ██████████ which is associated to the name of ██████████

Investigators obtained information from databases utilized by the Chicago Police Department showing AT & T is the cellular carrier for ██████████. Investigators learned, from video evidence, that the two subjects exited the Uber vehicle and hailed an approaching "Sun Taxi Cab" #904 at the intersection of Schiller St. and Wells St. The two unknown individuals entered the cab and requested to be taken to Illinois St. and Lake Shore Dr., where the vehicle arrived at approximately 1:25 A.M. This information was verified by video evidence recovered from "Sun Taxi Cab" #904.

From approximately 1:25 A.M. until approximately 2:03 A.M., video evidence showed that these two individuals on foot in an area bordered by Lake Shore Dr. on the east, Columbus Drive on the west, Illinois St to the north, and the Chicago River to the south.

At approximately 2:04 A.M., on January 29, 2019, the two individuals moved outside the view of a camera and the attack on the victim, ██████████. Approximately one minute later, video evidence showed the same two unknown individuals run from the attack location, southbound toward the Chicago River, past the Chicago Burger Company, located at 301 E. North Water St. and westbound toward Columbus Dr. Video evidence subsequently captured these same individuals enter "Yellow Cab Company" Taxi #1394 at the Hyatt Regency Hotel, located at 151 E. Wacker Dr. at 02:10 A.M.

In an attempt to verify the information listed above, along with attempting to develop investigative leads, R/D prepared the following search warrants for phone records, based on the information available at the time:

██████████
Search Warrant Number 19SW5021
AT&T

Served by fax to 888-938-4715

██████████
Search Warrant Number 19SW5020
T-Mobile
Served by email to lerinbound@t-mobile.com

These search warrants were sent to the Cook County States Attorneys Office, Felony Review Section, where they were reviewed by ASA Bill REARDON and given the search warrant numbers listed above.

R/D then met with the Honorable Judge Donald PANARESE who signed the listed search warrants.

On 13-FEB-2019, these search warrants were then served on the respective companies by Detective Michael Vogenthaler #20390.

The original search warrants along with the Accurint Comprehensive report were inventoried under INV# 14385993.

The investigation continues.

DATE- 02 February 2019

On 02 February 2019, at 1645 hours, R/Ds were assigned by Sgt. C. MARTIN #1456 of this command to report to the Area Central SOMEX TEAM. The SOMEX TEAM was investigating an aggravated battery which occurred at 341 E. Lower North Water Street in the 018th District. R/Ds learned there was a thirty six year old, male victim (KNA: [REDACTED]). The SOMEX TEAM learned that the offenders possibly arrived to the crime scene via a SUN TAXI Association vehicle. The SOMEX TEAM learned that a Chicago Carriage Cab Company vehicle #1186 had possible video footage of the offenders. The SOMEX TEAM learned through an anonymous phone call that the victim and possible offenders were involved in an altercation at the Second Story Bar located at 157 E. Ohio Street. The SOMEX TEAM requested R/Ds to investigate these leads.

At 1758 hours, R/Ds arrived at SUN TAXI Association Inc. at 4626 W. Cornelia Avenue. R/Ds introduced themselves to [REDACTED] the radio dispatcher. [REDACTED] related that without a cab number it was difficult to track the cab itself. [REDACTED] related that he was not working on the night of incident but that his manager, [REDACTED] was available by telephone.

Det. FRONCZAK contacted Det. S. HILL #20889, via telephone, of the SOMEX TEAM and requested a photo of the SUN TAXI cab in question. Det. HILL transmitted Det. FRONCZAK an image in which the numerals on the cab were not clear. Det. FRONCZAK again contacted Det. HILL at the SOMEX office and went through possible numerals from the original photo.

At 1808 hours, Det. BURNS was able to contact [REDACTED] via telephone. R/Ds went through the list of possible numerals on the cab with [REDACTED] and [REDACTED]. It was discovered that SUN TAXI CAB #904 was the possible cab in question. [REDACTED] was able to verify that SUN TAXI CAB #904 had a fare from 1415 N. Wells Street to 445 E. Illinois Street at 0122 hours on 29 January 2019. The fare was ten dollars and paid in cash.

R/Ds learned that the operator of SUN TAXI CAB #904 was [REDACTED] could not verify if he was operating the cab at this time. [REDACTED] and [REDACTED] were able to give information on [REDACTED] so R/Ds could possibly locate him. R/Ds requested permission to access the cab's video system and retrieve the video card from said system. [REDACTED] granted permission as long as the video card was replaced. R/Ds agreed to the agreement and thanked [REDACTED] and [REDACTED] and left SUN TAXI Company.

At 1847 hours, R/Ds notified Det. HILL and the SOMEX TEAM on the progress made.

At 1900 hours, R/D located to the residence of [REDACTED] at [REDACTED] and found no one answering the bell. Det. BURNS contacted [REDACTED] via telephone. [REDACTED] was working his cab but agreed to meet R/Ds in front of his residence.

Det. FRONCZAK notified Det. HILL and the SOMEX TEAM that [REDACTED] was enroute and requested the video technician to meet to recover the cab video. Det. FRONCZAK then called the video technician, Det. M. PARAGES #20775 to confirm the address location.

At 1947 hours, [REDACTED] arrived in front of his residence. R/Ds introduced themselves and thanked him for meeting with them.

INTERVIEW OF [REDACTED]

The following interview took place on the sidewalk of 4219 N. Pulaski Road and is in summary and not verbatim unless noted. R/Ds inquired if [REDACTED] recalled dropping off a fare on Illinois Street on 29 January 2019 during the early morning hours. [REDACTED] related that he did remember the fare in question. He stated that he picked up two males: "I thought they were black". [REDACTED] related that he picked up the two males on Wells Street coming from an SUV which he thought could possibly be a police car. [REDACTED] related that initially he thought they were the police.

The two males entered the cab of [REDACTED]. One male entered the passenger side. This male was a "big guy" and did not talk and he only saw his eyes, because part of his face was covered. The second male who entered on the driver side was a "skinny guy" and did all the talking. [REDACTED] was initially "scared and thought he might be robbed". The "skinny guy" asked to be driven to Grand and Illinois streets. [REDACTED] related that he told them that they are parallel streets. The "skinny guy" then stated "ok, just take us to Illinois Street near there." [REDACTED] then drove them to Illinois Street and Lake Shore Drive. The "skinny guy" asked how much the fare was to which [REDACTED] replied "\$9.75". The "skinny guy" gave [REDACTED] a twenty dollar USC bill and told him to keep the change. [REDACTED] was very happy with the tip as it had been the largest tip he had received in a while. The two males exited the cab and walked under Lake Shore Drive. [REDACTED] then drove left on Grand Avenue and drove home.

[REDACTED] then showed R/Ds the on board fare counter inside of his cab. [REDACTED] scrolled to 29 January 2019 and viewed FARE#468104 which showed a pick up at 01:14:22 and drop off at 01:22:57. R/Ds requested a copy of this receipt to which [REDACTED] then printed.

At 1957 hours, Det. PARAGES arrived at 4219 N. Pulaski Road and began to study the on board camera located inside the cab of [REDACTED]. After observing the system Det. PARAGES realized that a special TORX screwdriver was needed to retrieve the video card. Det. PARAGES did not have this particular tool with him and wished to retrieve one from his home. At 2004 hours Det. PARAGES left to retrieve the special tool.

At 2036 hours, Det. PARAGES returned and was successfully able to remove the video card. After observing the video card, Det. FRONCZAK located to Walgreens Pharmacy located at 4001 W. Irving Park Road and purchased a new video card. Det. FRONCZAK returned to the cab and Det. PARAGES installed the new video card and took possession of the video card retrieved from the cab of [REDACTED]. Det. PARAGES left and returned to Area Central.

R/Ds thanked [REDACTED] for his interview and for taking time out of his workday to help with the investigation. The interview was then terminated.

R/Ds located to Chicago Carriage Cab Company at 2617 S. Wabash Avenue and arrived at 2116 hours. R/Ds spoke to employees of the cab company and were able to speak to [REDACTED] the garage manager.

At 2128 hours, Det. BURNS spoke to the head manager [REDACTED] in regards to Chicago Carriage Cab Company Cab#1186. Det. BURNS learned that Cab#1186 was actually located on premise in the garage for service. R/Ds entered the garage and located Cab#1186 and observed that the camera inside the vehicle had only one lens which showed the interior of the vehicle. This cab was not equipped with a forward facing camera. Thus it was not necessary to retrieve the video card.

R/Ds thanked the employees of the Chicago Carriage Cab Company and exited the premises.

At 2134 hours, R/Ds notified the SOMEX TEAM on the progress.

At 2158 hours, R/Ds located to The Second Story Bar, located at 157 E. Ohio Street. R/Ds introduced themselves and wished to speak to the manager.

INTERVIEW OF [REDACTED]

The following interview took place in the back room and is in summary and not verbatim unless noted. R/D introduced themselves to the manager, [REDACTED]. R/Ds explained the purpose of the meeting. R/Ds inquired on the night in question if there were any altercations physical or otherwise within the establishment. [REDACTED] related that he had not been notified by staff of any incidents on that evening. [REDACTED] stated that it is a very low key bar and the clientele was made of "regulars" who are usually well behaved. [REDACTED] stated that he was contacted by phone by someone claiming to be a reporter with "The Wrap" inquiring about [REDACTED]. [REDACTED] related that he did not know [REDACTED] and that the establishment was mostly regulars. [REDACTED] related that a reporter from the "Daily Mail" also contacted him by phone inquiring about fights in the bar and other similar bars in the area. [REDACTED] stated that there were no fights in the bar. [REDACTED] related that he had no further information but would introduce R/Ds to the bartender who was working that evening. R/Ds thanked [REDACTED] for his help and the interview was terminated.

INTERVIEW OF [REDACTED]

[REDACTED] returned with one of his bartenders, [REDACTED]. This interview is in summary and not verbatim unless noted. R/Ds introduced themselves to [REDACTED] and inquired if he indeed was working on 29 January 2019. [REDACTED] stated that he was working and that it was very slow for the night. For most of the later part of the evening it was only about five "regulars". There were no altercations of any kind. [REDACTED] related that because of the lack of customers he closed the bar at 0100 hours. R/Ds thanked [REDACTED] for his time and the interview was terminated.

R/Ds returned to Area Central.

The SUN TAXI receipt was inventoried under #14375917.

The investigation remains IN PROGRESS.

INVESTIGATION:

On 06-Feb-2019

The contents of this report, including interviews, are in essence and not verbatim unless otherwise noted by quotation marks.

A review of the UBER subpoena return for Olabinjo OSUNDAIRO showed a ride from 41 [REDACTED] N. Ashland leaving at 1918 hours and arriving at OHARE International Airport (ORD) at 2000 hours on 29-JAN-2019. A search of open source social media by Det. Jasica then showed Olabinjo OSUNDAIRO to possibly be in Nigeria.

Task Force S/A Wing then contacted Josue MURPHY with the US Customs and Border Protection Office (CBP) located at OHARE Airport. Agent MURPHY then performed a search of airline records which showed Olabinjo OSUNDAIRO and his brother, Abimbola OSUNDAIRO, to have left OHARE Airport, ultimately traveling to Nigeria on 29-JAN-2019 and scheduled to return from Nigeria to OHARE Airport on 13-FEB-2019. This information was then provided to Task Force S/A Wing. Still photographs of Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO at OHARE Airport were also included. This information was transferred to a DVD disc and inventoried under INV# 14390225.

Over the next several days, searches were conducted and photographs captured of Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO from Chicago Police Databases, the Illinois Secretary of State database, open source social media accounts and open source internet searches (progress reports and inventories for this information will be forthcoming). A comparison was made between these images, the still photographs from OHARE Airport and the video recovered from the Sun Taxi Cab #904 (Refer to the PROGRESS report of Det. Paragas for details of the Sun taxi Cab Video recovery). This comparison showed a strong resemblance between Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO and the subjects on the video recovered from Sun Taxi Cab #904.

R/D was aware of the fact that [REDACTED] received a threatening letter which was documented under CPD RD#JC125614 and that [REDACTED] received a phone threat on Saturday, [January 26, 2019] at an unknown time, where an unidentified male caller stated, "Hey you little Faggot" which was documented in JC133190. After reviewing evidence available at the time, a plan was put into place to take Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO into custody at OHARE Airport along with conducting a simultaneous search warrant (19SW4998) at the residence [REDACTED] belonging to Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO. This was being done to minimize the chance for loss of evidence and alerting Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO (See Progress Supplementary report for the specifics of 19SW4998).

11-FEB-2019

Information was received by order of the United States District Court, Northern District of Illinois, where Acting Chief Judge Rebecca Pallmeyer released phone records pertaining to federal case 19GJ152 to be used by members of the Chicago Police Department and Cook County States

Attorney's office. During a search of these records, another phone number suspected of belonging to Olabinjo OSUNDAIRO was discovered [REDACTED]. Phone records show this phone to be in communication with a phone number [REDACTED] belonging to [REDACTED] before and a phone number [REDACTED] belonging to [REDACTED] after the incident on 29-JAN-2019. This information was transferred to a DVD disc and inventoried under INV# 14390225.

12-FEB-2019

A search of CPD used databases revealed information showing a direct link in ownership between [REDACTED] and [REDACTED]. It is to be noted that the number [REDACTED] was found on an original GPR created by Det. Kim MURRAY #20808 and described as belonging to a physical trainer named "Bon". Based on this information, a search warrant for phone records for [REDACTED] was authored by Det. Kevin Stoll (for facts relevant to this portion of the investigation, refer to a Progress Supplementary report prepared by Det. Stoll) this search warrant and related documents were inventoried under INV #14385993.

Based on the facts available at this time, Det. Theis prepared a search warrant for the person and possessions for Olabinjo OSUNDAIRO (19SW5000) along with a search warrant for a buccal swab, hair sample and fingerprints and palm prints for Olabinjo OSUNDAIRO (19SW5009). These warrants were then sent to ASA Bill Reardon who reviewed and approved these warrants and assigned the numbers listed above. Based on the facts available at this time, Det. Theis prepared a search warrant for the person and possessions for Abimbola OSUNDAIRO (19SW5004) along with a search warrant for a buccal swab, hair sample and fingerprints and palm prints for Abimbola OSUNDAIRO (19SW5011). These warrants were then sent to ASA Bill Reardon who reviewed and approved these warrants and assigned the numbers listed above. Det. Theis then took search warrants 19SW5000 and 19SW5004 to the residence of Judge Elizabeth Ciaccia-Lezza #2228, who reviewed and approved the listed warrants.

13-FEB-2019

Det. Theis left Area Central and relocated to 26th and California where he went to the Chief Judges office for approval of search warrants 19SW5009 and 19SW5011. The Chief Judge assigned Judge Diane Cannon #1689. Det. Theis went to court room 600 and presented search warrants 19SW5009 and 19SW5011 to Judge Cannon who reviewed and approved the listed warrants.

R/D along with Commander Wodnicki #356, TFO SA Wing, Sgt. Blas #1248, Det. Theis #21217, Det. Jasica #20420, Det. Zambrano #21178, Det. Parages #20775 and Det. Hill #20889 went to the US Customs and Border Protection Office (CBP) room number LL369, located in Terminal 5 at OHARE International Airport. R/D was in contact with Josue MURPHY and associates with the U.S. Customs and Border Protection Office (CBP), who informed R/D of the flight status of Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO. At 1818 hours, Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO exited the plane and were sent by CBP to primary and secondary customs screening and were kept separated. As Customs Officers were preparing to release Abimbola OSUNDAIRO, R/D and Det. Theis then relocated near the exit for the CBP area inside OHARE Airport. Once released by CBP, Abimbola OSUNDAIRO approached the exit to the Customs and Border Protection area, (at approximately 1950 hours) R/D and Det. Theis approached Abimbola OSUNDAIRO, identified themselves as Chicago Police Detectives, and requested to have a conversation with Abimbola OSUNDAIRO. Abimbola OSUNDAIRO agreed and followed R/D and Det. Theis to an interview area located inside the CBP office inside OHARE Airport. As detectives approached the CBP interview area, Abimbola OSUNDAIRO asked to use the restroom. It was at this point R/D felt the necessity to execute search warrant number 19SW5004 for the person of

Abimbola OSUNDAIRO. R/D provided Abimbola OSUNDAIRO a copy of the search warrant which Abimbola OSUNDAIRO then read. Abimbola OSUNDAIRO complied with the search and R/D secured the personal property, including a cell phone [REDACTED] belonging to Abimbola OSUNDAIRO. This was done to prevent any loss of evidence once Abimbola OSUNDAIRO entered the restroom. Abimbola OSUNDAIRO was then allowed to use the restroom. After, Abimbola OSUNDAIRO was taken to an interview area located inside the CBP office. At 1954 hours, Abimbola OSUNDAIRO consented to being audio and video recorded and was then read his MIRANDA warnings from a pre-printed card by Det. Theis. Abimbola OSUNDAIRO declined to speak with R/D and Det. Theis. At this point the interview was terminated.

After being released by CBP (at approximately 1959 hours), Det. Jasica and Task Force S/A Wing met Olabinjo OSUNDAIRO near the exit to the Customs and Border Protection area. Det. Jasica identified himself as a Chicago Police Detective and requested to have a conversation with Olabinjo OSUNDAIRO. Olabinjo OSUNDAIRO agreed and followed Det. Jasica and Task Force S/A Wing to an interview area located inside the CBP office. R/D stayed with Abimbola OSUNDAIRO inside the interview room, as Det. Theis met with Det. Jasica and Task Force S/A Wing, who accompanied Olabinjo OSUNDAIRO to a separate interview room located inside the CBP office. Det. Theis entered the interview room with Olabinjo OSUNDAIRO. Det. Jasica then relieved R/D and stayed with Abimbola OSUNDAIRO. R/D then joined Det. Theis and Olabinjo OSUNDAIRO.

At 2002 hours, Olabinjo OSUNDAIRO consented to being audio and video recorded and was then read his MIRANDA warnings from a pre-printed card by Det. Theis. Olabinjo OSUNDAIRO declined to speak with R/D and Det. Theis. At this point the interview was terminated.

R/D elected to execute search warrant number 19SW5000 for the person of Olabinjo OSUNDAIRO. R/D provided Olabinjo OSUNDAIRO a copy of the search warrant which Olabinjo OSUNDAIRO then read. Olabinjo OSUNDAIRO complied with the search and R/D secured the personal property, including three cell phones [REDACTED] and [REDACTED] belonging to Olabinjo OSUNDAIRO. Olabinjo OSUNDAIRO provided R/D with the unlock codes to the three phones he had in his possession.

R/D then elected to return to Area Central with Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO. While keeping both subjects separated, Olabinjo OSUNDAIRO was placed into 016th District beat car 1642 and Abimbola OSUNDAIRO was placed into 016th District beat car 1651. Both subjects were then transported to Area Central for further processing. Both beat cars had in car camera and in car audio activated.

(All times are approximate and based on ERI video)

When Olabinjo OSUNDAIRO arrived at Area Central, he was placed in interview room number 1 by beat car 1642. At 2208 hours, the camera was activated by Sgt. Blas #1248 with Olabinjo OSUNDAIRO in the room. At 2221 hours, R/D and Det. Theis entered the room and Olabinjo OSUNDAIRO consented to audio and video recording of the room. Olabinjo OSUNDAIRO was then read his MIRANDA warnings from the CPD FOP book. Olabinjo OSUNDAIRO declined to speak with R/D or Det. Theis. At 2232 hours, search warrant #19SW5009 was executed by CPD ET Glowacki #15452, who recovered a hair and a buccal sample. The ET was unable to take prints at this time as the ink tray for fingerprinting was frozen. At 2256 hours, Olabinjo OSUNDAIRO asked about his charges and asked R/D to speak to an attorney. At 2329 hours, ET Glowacki returned to take fingerprints and palm prints. At 2352 hours, Olabinjo OSUNDAIRO was given alcohol wipes to clean the ink off of his hands. At 0131 hours, on 14-FEB-2019, Olabinjo OSUNDAIRO was brought

down to the 002nd District lockup for the evening. Several times during the course of the evening, Olabinjo OSUNDAIRO was offered food, water and use of the restroom.

When Abimbola OSUNDAIRO arrived at Area Central, ERI camera was activated by Sgt. Blas for interview room number 7 and at 2212 hours, beat car 1651 placed Abimbola OSUNDAIRO in the room. At 2247 hours, R/D and Det. Theis entered the room and Abimbola OSUNDAIRO consented to audio and video recording of the room. Abimbola OSUNDAIRO was then read his MIRANDA warnings from the CPD FOP book. Abimbola OSUNDAIRO declined to speak with R/D or Det. Theis. Det. Theis then attempted to serve search warrant 19SW5011. Abimbola OSUNDAIRO was given a copy of the warrant and found that the birthdate was incorrect and refused to participate in the warrant. R/D and Det. Theis then had a conversation with ASA Bill Reardon and ASA Nick Trutenko, who looked at said warrant and stated that all of the information in regards to the identity of Abimbola OSUNDAIRO was correct with the exception of the month of birth. ASA Bill Reardon and ASA Nick Trutenko advised that this was known as a "scriveners error" and the warrant should be enforceable. ASA Bill Reardon and ASA Nick Trutenko also stated the warrant could be rewritten and the error corrected. At 2251 hours, Abimbola OSUNDAIRO was given a bottle of water. At 2307 hours, Abimbola OSUNDAIRO was advised the discrepancy on the warrant was a "scriveners error" and the warrant was enforceable. Again, Abimbola OSUNDAIRO refused to cooperate without his lawyer. At 2325 hours, R/D requested Abimbola OSUNDAIRO to open his phone in an attempt to find his lawyers phone number. Abimbola OSUNDAIRO refused and asked R/D to call [REDACTED] at [REDACTED]. At 2350 hours, R/D informed Abimbola OSUNDAIRO that he would rewrite the warrant and attempt to have a lawyer present when search warrant 19SW5011 was enforced. At 0144 hours, on 14-FEB-2019, Abimbola OSUNDAIRO was brought down to the 002nd District lockup for the evening. Several times during the course of the evening, Abimbola OSUNDAIRO was offered food, water and use of the restroom. (See ERI Video for a more detailed account of the listed events)

Det. McKendry then rewrote 19SW5011, correcting the "scriveners error". This warrant was then given to ASA Bill Reardon, who reviewed and approved the warrant and assigned search warrant number 19SW5073.

14-FEB-2019

At approximately 0200 hours R/D elected to complete search warrant 19SW5000 (search of the personal property-luggage of Olabinjo OSUNDAIRO recovered at OHARE Airport) and 19SW5004 (search of the personal property-luggage of Abimbola OSUNDAIRO recovered at OHARE Airport). This search was conducted in the SOMEX office at Area Central. R/D performed a search of luggage and personal property belonging to Olabinjo OSUNDAIRO. R/D then inventoried the luggage and person property belonging to Olabinjo OSUNDAIRO under CPD INV# 14375402. R/D then performed a search of luggage and personal property belonging to Abimbola OSUNDAIRO. R/D recovered a spiral notebook from the luggage belonging to Abimbola OSUNDAIRO and inventoried said notebook under INV #14375433. R/D then inventoried the luggage and person property belonging to Abimbola OSUNDAIRO under CPD INV# 14375362, 14375375 and 14375417.

The investigation continues.

MANNER / MOTIVE:

The victim was walking to his residence when he was approached by two offenders who engaged in racial and homophobic slurs directed at the victim. The offenders then struck the victim about the face and body causing minor injuries / undetermined motive, possible hate crime

INVESTIGATION:

On 05 Feb 19 the R/D along with Det. ZAMBRANO #21178 to canvas for video along the 4000 and 4100 block of North Ashland Ave. for sources of recorded video which might be related to this case.

While the R/D's were unable to gain access to video systems discovered to recover video at this time, the R/D's compiled a list of properties with cameras and went to Area North. At Area North, the R/D's accessed the Cook County Recorder of Deeds records search and looked up owner information for properties for which the R/D's were not able to obtain that information. The R/D's then prepared letters for each of these locations. The R/D's then left at each property a letter requesting that the owners or managers of these properties contact the R/D's regarding video from their systems. Letters were left at the following locations:

Starbucks, 1601 W. Irving park Rd.
Metro PCS, 3961 N. Ashland Ave.
JDB Property Management, 3948 N. Ashland Ave.
██████████ 16███ W. Belle Plaine Ave.
██████████ 41███ N. Ashland Ave.
██████████ and ██████████ 41███ N. Ashland Ave.
Popeye's store manager, 1600 W. Irving Park Rd.
██████████ 40███ N. Ashland Ave.

As a following is a disposition of each of these video locations:

The R/D ultimately recovered video from 16███ W. Belle Plaine on 10 Feb 19. That recovered video was inventoried under CPD Inventory Number 14380758 and is documented on a separate Supplement Report.

██████████ of 40███ N. Ashland contacted the R/D via phone on 07 Feb 19 and informed the R/D that he had no recorded video from his system.

The R/D gained access to the systems at 41███ N. Ashland and 3961 N. Ashland Ave. on 18 Feb 19, and found there to be no existing video from the time frame of this incident.

The R/D was able to observe that there were no views which looked outside from the Starbucks CCTV System and that the outside cameras were on a different system under the control of the same property manager as 3948 N. Ashland Ave.

The owners or managers of the system at 3948 N. Ashland Ave. did not respond to the R/D's request for access to their system. Popeye's Restaurant 1600 W Irving Park Rd. declined to grant the R/D access and the manager did not respond to requests to contact the R/D regarding video from that location. Because of additional information acquired from cooperating witnesses, the

matter of recovering video from these three systems was not pursued beyond 15 Feb 19.

No response was received from the owners of 41 [REDACTED] N. Ashland Ave. The R/D attempted to contact the owners or occupants of the building at this location by returning to this address again on 18 Feb 19, however the R/D was unable to obtain a response from any of the occupants by knocking.

MANNER / MOTIVE:

The victim was walking to his residence when he was approached by two offenders who engaged in racial and homophobic slurs directed at the victim. The offenders then struck the victim about the face and body causing minor injuries / undetermined motive, possible hate crime

INVESTIGATION:

This is an Area Central Detectives / SOMEX Supplement Report

On 07 Feb 19 the R/D along with Det. ZAMBRANO attempted to canvas for video cameras between the last known location of the subjects identified in this incident which was at 37██████ N. Marshfield Ave. and the 31██████ N. Ashland where it had been learned that the person renting the Uber ride share vehicle from which the subjects had exited. The R/D's located cameras at 38██████ N. Ashland which covered the alley between Ashland and Marshfield and attempted to recover video. The R/D met with ██████████ who related that he was on the condominium board for that location. ██████████ agreed to give the R/D's access to the video system at that location. The R/D found that the system was not working in that the DVR was not recognizing the hard disk drive installed within the DVR. The R/D was unable to recover video from this location and believed that there was no recorded video from the time period of interest at this location.

On 07 Feb 19 the R/D was able to pick up video from the CPS Security desk at OEMC from School Safety Officer SANTILLAN of video recovered from Lakeview High School. The R/D was able to review this video and found that there were two outside cameras, one of which viewed the north side of the building on Irving Park Rd, but was only able to see as far as the north sidewalk , and not the street. The other view overlooked Ashland Ave to the north of Irving Park Rd., but the video was so dark that the R/D was unable to discern vehicle makes or models or anything else of evidentiary value. This video was subsequently inventoried under CPD Inventory Number 14380781.

On 06 Feb 19 the R/D met [REDACTED] at Garrett Popcorn which is located at 2555 N. Elston Ave. on 06 Feb 19 at approximately 1700 hrs. [REDACTED] granted the R/D permission to view and copy video from the CCTV video system located at 2555 N. Elston Ave. The R/D noted that the DVR time was one hour, eleven minutes, and twenty six seconds plus or minus four seconds ahead of actual time. The R/D recovered video from all outside cameras, however nothing of evidentiary value related to this case was noted. The R/D subsequently inventoried this video under CPD Inventory number 14369764.

The R/D then went to Sally Beauty Supply located at 2585 N. Elston Ave. at approximately 1815 hrs. on 06 Feb 19. The R/D spoke with [REDACTED] and asked for permission to view and copy video from the stores CCTV system DVR. [REDACTED] related that she had to get permission from her boss first. After consulting on the phone, [REDACTED] gave the R/D permission to view and recover video from the store's DVR. The R/D noted that the store's DVR was 30 Days, 23 hours and 42 minutes plus or minus four seconds ahead of actual. The R/D found that the system had not exterior cameras, however the camera aimed at the front door did view the sidewalk immediately in front of the store. The R/D recovered video from that camera for 28 Jan 19, however, upon review of the video, the R/D did not recognize anything of evidentiary value from this video. This video was subsequently inventoried under CPD Inventory Number 1439767.

The R/D met with [REDACTED] at Burlington Store located at 2627 N. Elston Ave. [REDACTED] related that he was a loss prevention associate. [REDACTED] related that he needed approval in order to copy video for the R/D. The R/D noted that the time on the DVR system at the store was the same as the actual time plus or minus four seconds. After making some telephone calls, [REDACTED] related that he could assist the R/D in obtaining video from the store as related to this incident. [REDACTED] played back the video and it was noted by the R/D that a subject matching the description of the person the R/D had observed previously on the video from Sun Taxi # 904 and also on video recovered from 3749 N. Marshfield Ave. entered the store at 1545 hours, and that this subject shopped selecting a pillow and some other items, purchasing them and exiting the store at 1620 hrs. The R/D believed this subject to be OSUNDAIRO, Olabinjo. The R/D noted that the subject whom he believed to be OSUNDAIRO, Olabinjo did appear to speak briefly with another customer inside the store while he was there. The R/D requested copies of all video showing both the subject the R/D believed to be OSUNDAIRO, Olabinjo as well as all video of the other unknown subject he appeared to have spoken to. [REDACTED] was able to copy the video from the store's DVR and provide a digital copy of that video to the R/D. This video was subsequently inventoried under CPD inventory number 14369758.

This is an Area Central / SOMEX Supplement Report

On 3 Feb the R/D received an Email from [REDACTED] of the condominium association at 14 [REDACTED] N. Wells St. indicating that their security contractor, [REDACTED] of Ashland Lock had found some video footage from the garage cameras for 29 January 19 ant that the footage would be uploaded to one drive for the R/D to download. The R/D was provided a link and was able to download the video files. The R/D noted a grey sport utility vehicle traveling southbound on N. Wells St. at 0113 hrs. DVR time on both of the camera views. The R/D also observed a taxi consistent with Sun Taxi #904 as well heading northbound, and making a U-turn and heading back southbound. The R/D was unable to see the occupants of the SUV exit the taxi and enter the SUV as he had been able to observe previously from the video recovered from Sun Taxi #904, as the views from these two cameras did not cover that area. What the R/D did observe was consistent with what the R/D had observed from a city camera pod as well as the recovered taxi video. The video received from 14 [REDACTED] N. Wells St. was subsequently inventoried under CPD Inventory Number 14369781

MANNER / MOTIVE:

The victim was walking to his residence when he was approached by two offenders who engaged in racial and homophobic slurs directed at the victim. The offenders then struck the victim about the face and body causing minor injuries / undetermined motive, possible hate crime

INVESTIGATION:

14-FEB-2019

R/D was notified by the 002nd District that an attorney for Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO was on scene and in the 002nd District attorney interview room speaking with her client. R/D was provided with a photocopy of an Illinois State Drivers License ██████████ and an Attorney Registration Card ██████████ belonging to Attorney ██████████. Also written on the sheet was an office location of 211 West Wacker, 5th floor, in Chicago. At approximately 1400 hours, while in the 002nd District, near the attorney interview rooms, R/D introduced himself to, who he believed was the attorney representing Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO. The attorney verified that she represented Olabinjo OSUNDAIRO and Abimbola OSUNDAIRO and identified herself as ██████████. R/D then introduced Det. Theis #21217, Sgt. Blas #1248 and Task Force S/A Wing. Attorney ██████████ stated that she had a very hard time communicating with her client in the 002nd District attorney interview room and asked about the possibility of speaking with her clients face to face. R/D agreed and stated that he would help facilitate that request.

Attorney ██████████ was brought to the Area Central conference room by Sgt. Blas and Task Force S/A Wing where she was offered some water. At approximately 1415 hours, R/D and Det. Theis went to the 002nd District desk and signed Abimbola OSUNDAIRO out of the 002nd District male lock up. Abimbola OSUNDAIRO was brought up to Area Central where he was placed in interview room #2. R/D then accompanied Attorney ██████████ to interview room #2 and allowed Attorney ██████████ to speak with Abimbola OSUNDAIRO. Prior to leaving, R/D insured that the ERI system was off and Abimbola OSUNDAIRO and Attorney ██████████ had privacy. At approximately 1500 hours, R/D was notified that Attorney ██████████ was finished speaking with Abimbola OSUNDAIRO and wished to speak with Olabinjo OSUNDAIRO. R/D presented Attorney ██████████ with search warrant 19SW5011. Det. Theis pointed out the "scriveners error" on the warrant and asked Attorney ██████████ to explain the search warrant to Abimbola OSUNDAIRO and asked if he would comply with the warrant. Attorney ██████████ reviewed the search warrant in the presence of R/D, Det. Theis and Abimbola OSUNDAIRO. Attorney ██████████ explained the "scriveners error" to Abimbola OSUNDAIRO and stated that the warrant looked in order. Abimbola OSUNDAIRO then stated he would comply with the search warrant. R/D then ordered an evidence technician to execute the warrant.

Attorney ██████████ was then returned to the Area Central conference room by R/D and Det. Theis. At approximately 1510 hours R/D and Det. Theis returned to the 002nd District desk and signed Olabinjo OSUNDAIRO out of the 002nd District male lock up. Olabinjo OSUNDAIRO was brought up to Area Central where he was place in interview room #7. R/D then accompanied Attorney ██████████ to interview room #7 and allowed Attorney ██████████ to speak with Olabinjo OSUNDAIRO. Prior to leaving, R/D insured that the ERI system was off and Olabinjo OSUNDAIRO and Attorney ██████████ had privacy.

At approximately 1550 hours ET Seltzer #12643 arrived at Area Central. ET Seltzer was brought to interview room #2 and was introduced to Abimbola OSUNDAIRO. R/D provided a copy of search

warrant 19SW5011 to ET Seltzer. ET Seltzer then executed search warrant 19SW5011 collecting a buccal swab, hair samples along with fingerprints and palm prints from Abimbola OSUNDAIRO. At the conclusion, ET Seltzer left Area Central.

Search warrant 19SW5073 was written to correct the "scriveners error" found in search warrant 19SW5011. Search warrant 19SW5073 was not signed by a judge as it was found to be unnecessary as search warrant 19SW5011 was executed. Search warrants 19SW4998, 19SW5000, 19SW5004, 19SW5009, 19SW5011 and 19SW5073 were all inventoried under INV# 14390225.

R/D was notified that Attorney [REDACTED] was finished speaking with Olabinjo OSUNDAIRO. Attorney [REDACTED] was then returned to the Area Central conference room by R/D and Det. Theis and were met by Task Force S/A Wing and Sgt. Blas. R/D then asked if either Abimbola OSUNDAIRO or Olabinjo OSUNDAIRO would be willing to speak with R/D in her presence. Attorney [REDACTED] stated, at this point, neither Abimbola OSUNDAIRO nor Olabinjo OSUNDAIRO wished to speak with police. Attorney [REDACTED] then asked about the next steps in the case. R/D informed Attorney [REDACTED] that physical line ups would be conducted later in the day. Attorney [REDACTED] then left Area Central.

At approximately 1740 hours, Olabinjo OSUNDAIRO was returned to the 002nd District male lock up. Several times during the course of the day, Olabinjo OSUNDAIRO was offered food, water and use of the restroom, but refused. Olabinjo OSUNDAIRO stated he was fasting. At approximately 1800 hours, Abimbola OSUNDAIRO was returned to the 002nd District male lock up. Several times during the course of the day, Abimbola OSUNDAIRO was offered food, water and use of the restroom, but refused.

R/D then assisted Det. Calle #20177 and Det. Campos #21017 in assembling physical line ups needed in this case. At approximately 1915 hours, R/D and Det. Theis went to the 002nd District desk and signed out Olabinjo OSUNDAIRO. Olabinjo OSUNDAIRO was brought up to Area Central where he was placed in interview room #7. INVESTIGATION:

16 Feb 2019

This is a summary and should not be considered verbatim unless otherwise indicated. On 16 Feb 2019 R/D was assigned with Det. Hagan #20606 to follow up a search done by Det. Schoenecker

#20830 searching for video evidence from 28 Jan 2019 in the area of Lawrence and Ashland. Det. Hagan and R/D split up as R/D went to 1523 W. Lawrence Av. (Jumbo Laundry). R/D spoke with the owner [REDACTED] (1975) on the phone who had remote access of their video surveillance system. R/D learned that the system would only go back to 09 Feb 2019 and concluded that the video files from 28 Jan 2019 were over-written. R/D then went to 1531 W. Lawrence Av.- Lake View Development Center Pre-School (773 878 2223) but they were closed.

R/D proceeded to cross the street to 1522 W. Lawrence Av. , the Crafty Beaver, and spoke to [REDACTED] who is the general manager [REDACTED] related that all the cameras in the building have not worked for over a year. [REDACTED] was able to check the computer data for each variation of rope sold there. Only one rope had been sold in 2019. [REDACTED] printed a copy of the receipt from that sale of 50' x #6 braided clothesline on 28 Jan 2019 at 1023 hours. [REDACTED] then located another 50' x #6 braided clothesline and R/D purchased it for \$3.30 notating the time of the sale at 1529 hours on 16 Feb 2019. The receipt read 16 Feb 2019 at 1528 hours showing that the actual purchase time on 28Jan 2019 is 1024 within 1 minutes of accuracy. R/D later inventoried 1 ORIGINAL RECIEPT FROM 16FEB2019 @3:28PM FOR 50' X#6 BRAIDED CLOTHESLINE, 1 REPRINTED RECIEPT FROM 28JAN2019 @10:23AMPM FOR 50' X#6 BRAIDED CLOTHESLINE, 1 PACKAGE OF 50' X#6 BRAIDED CLOTHESLINE under #14378599.

R/D relocated next door to 1530 W. Lawrence Av. (Mobile Gas) and spoke to [REDACTED] (1971) [REDACTED] who is the manager. [REDACTED] gave permission and provided the password to access his video system which was an LTS model with 6 channels. R/D noticed the time offset to be slow approximately 11 minutes showing 1432 when the actual time is 1443. Using this information R/D located 2 subjects come from the east in a silver 2 door silver coupe driving west bound on Lawrence Av. and park in the lot near the Jumbo Laundry at 1008 hours system time which is 1019 actual time. Two subjects exit the vehicle and 1 goes in to Jumbo Laundry as the other crosses the street walking toward the entrance of Crafty Beaver. The same subject returns to the trunk of the car and opens it at 1017 hours which would be 1028 hours actual time. This time frame matches the 1024 actual purchase time of the rope in the Crafty Beaver. The video shows the 2 subjects leave the Jumbo Laundry parking lot at 1232 hours system time, 1243 actual time and drive west bound on Lawrence Av.

R/D spoke to Det. Hagen and discovered that his canvas of beauty supply stores only resulted in 1 store that sold red baseball hats. R/D related the times that the subjects were at the Jumbo Laundry narrowing the time frame of the video search. R/D relocated to the Beauty House at 1041 W. Wilson Ave. and assisted Det. Hagen search the video. Two subjects were discovered entering the store just after 1000 hours on 28 Jan 2019 and purchased gloves, ski masks and a red baseball hat using cash. The subjects then left in a silver 2 door silver coupe with enough time to drive to the Jumbo Laundry location. Det. Hagen recovered the video files and took them to be inventoried under #14380768.

R/D then went to 3450 W. Touhy Av. in Skokie, which is an Xsport Fitness gym, and spoke to [REDACTED] (1985) who is an assistant manager [REDACTED] related that he could not authorize any video retrieval and to contact their corporate office at 8774171450. He was able to let me view their camera system. He was able to show me the front desk check in area for 25 Jan 2019 at 18:02:15 hours and 27 Jan 2019 at 13:11:44 hours where a subject matching the description of a possible suspect was seen checking in. There was no corresponding outside views available to view his entry prior to those times. R/D advised Det. Hagan of the situation and requested that he follow up the following day.

INVESTIGATION:

07-FEB-2019

The contents of this report, including interviews, are in essence and not verbatim unless otherwise noted by quotation marks.

On 02-FEB-2019, Detectives Fronczak #21139, Burns #20994 and Parages #20775 discovered and recovered video evidence related to this case. The video recovered showed that on 29-JAN-2019 at approximately 0113 hours, the same two unknown individuals involved in the attack of [REDACTED] exited what was believed to be a ride share vehicle and entered a Sun Taxi Cab #904. A large illuminated oval LYFT medallion was observed on the dashboard of what was believed to be the rideshare vehicle.

On 04-FEB-2019, a Cook County Grand Jury subpoena was issued and sent to LYFT Rideshare Company requesting information on fares which terminated in the area of the 1400 block of North Wells on 29-JAN-2019 at approximately 0100 to 0130 hours and account information for those rides.

On 05-Feb-2019, a return was received from LYFT Rideshare Company. The return stated no records could be found for the date, time and location requested. Having knowledge that sometimes drivers drive for multiple rideshare companies at the same time, a Cook County Grand Jury subpoena was issued and sent to the UBER Rideshare Company requesting information regarding fares which terminated in the area of the 1400 block of North Wells on 29-JAN-2019 at approximately 0100 to 0130 hours and account information for those rides.

On 06-FEB-2019, Information was received from the UBER Rideshare Company. This information was first sent back to the Cook County Grand Jury. The subpoena return showed a ride which

terminated near the listed date, time and location. UBER Rideshare Company provided the UBER driver information along with the riders account information. Included in the rider account information was the name of [REDACTED] with the phone number [REDACTED]

In an attempt to develop investigative leads, R/D prepared the following search warrant for phone records, based on the information available at the time:

[REDACTED]
Search Warrant Number 19SW4878

T-Mobile
[REDACTED]

Served by email to lerinbound@t-mobile.com

This search warrant was sent to the Cook County States Attorney's Office, Felony Review Section, where it was reviewed by ASA Meredith RUDOLFI and given the search warrant number listed above.

R/D then met with the Honorable Judge Angela M Petrone who signed the listed search warrant.

On 07-FEB-2019, this search warrant was then served on T-Mobile by R/D.

The original search warrant was inventoried under INV#14385099

The investigation continues.

INVESTIGATION:

18 Feb 2019

This is a summary and should not be considered verbatim unless otherwise indicated. On 18 Feb
2019 R/D returned to 400 N. Mc Clurg Ct. and spoke to [REDACTED] who

allowed access to their Complete View client video system. The time on the system was 1958 hours on 18 Feb 2019 and the actual time was 1959 hours so the system was accurate within 60 seconds. R/D reviewed the video from 27 Jan 2019 and discovered a black SUV drive past the front door view at 11:21:07 hours (system time) going west bound and then drive past their dock view at 11:21:20 (system time) heading north bound on New St. These video files were downloaded and burned to disks then inventoried under #14379125.

R/D then relocated to 401 E. Illinois St. and spoke to [REDACTED] who was working security at the Target store. [REDACTED] related that the video system ran Gentec Security Desk software and the time was accurate. [REDACTED] indicated that he would download the outside views for the requested time frame on 27 Jan 2019. A short time later R/D retrieved the video files from [REDACTED] and burned them to disk then inventoried them under #14379122. Upon review of the video R/D observed a black SUV pass in front of the store going south bound on Mc Clurg Ct. at 11:22:20 hours on 27 Jan 2019.
